Lenore K. Snodgrass

In Memoriam

Miss Snodgrass served Denfeld High School continuously from 1918 to 1953, a period of thirty-five years. On August 12, 1953, Miss Snodgrass passed away at her sister's home, in Marshalltown, Iowa.

"Her record as measured by the philosophy of the school can scarcely be improved. We may all be thankful that she spent so many useful years here."—*James F. Taylor*

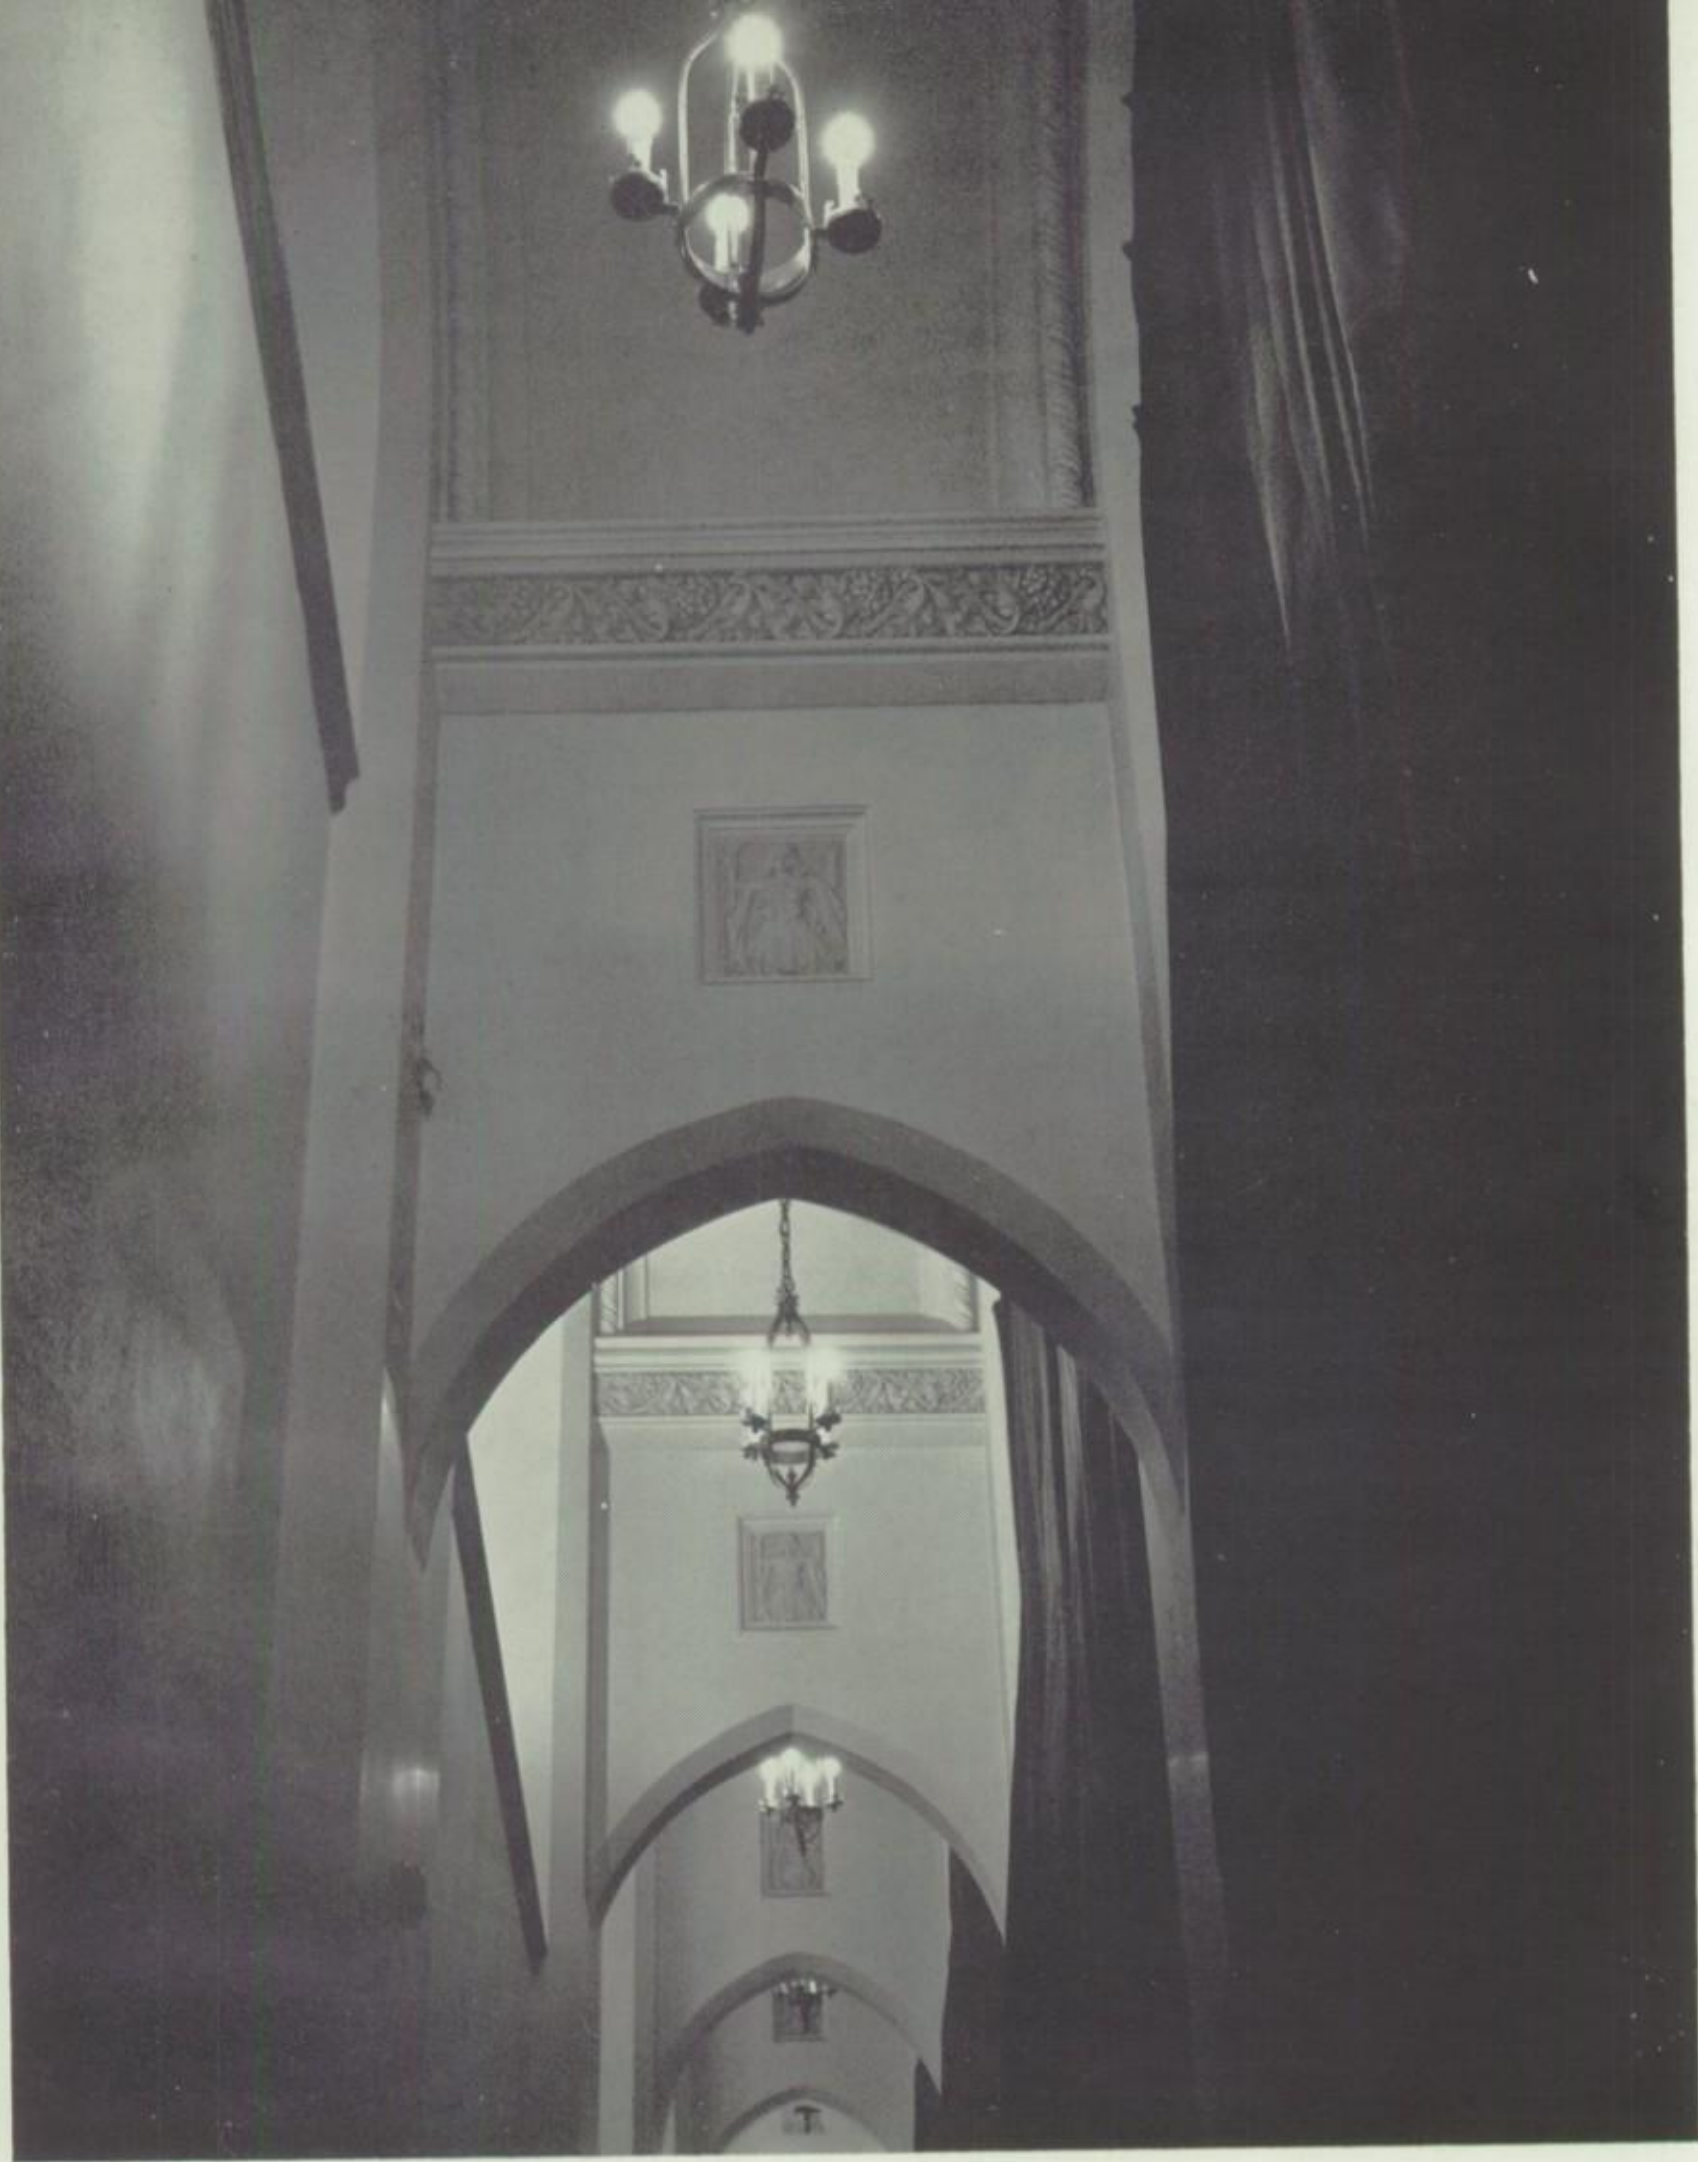

"She was, more than all else, a wise, loving counselor and friend, taking a personal interest in the students of the school she loved."—*Mrs. Waldemar V. Johnson.*

"She who now sleeps left a part of her best in a thousand minds at Denfeld. She has traveled straight

into the sun to challenge its brightness from a new direction."—*Gustav Nordin*

"Because she devoted so much of her life to Denfeld, Miss Lenore Snodgrass will always live in the heart of Denfeld as well as in the hearts of her students."—*Caroline Johnson*

"A life of service to others, a life filled with joy in beautiful things—such a life shines forth increasingly and shares that light and joy with others."—*Margaret K. Gatzweiler*

"Yet all experience is an arch where through gleams that
untraveled world. . . ."

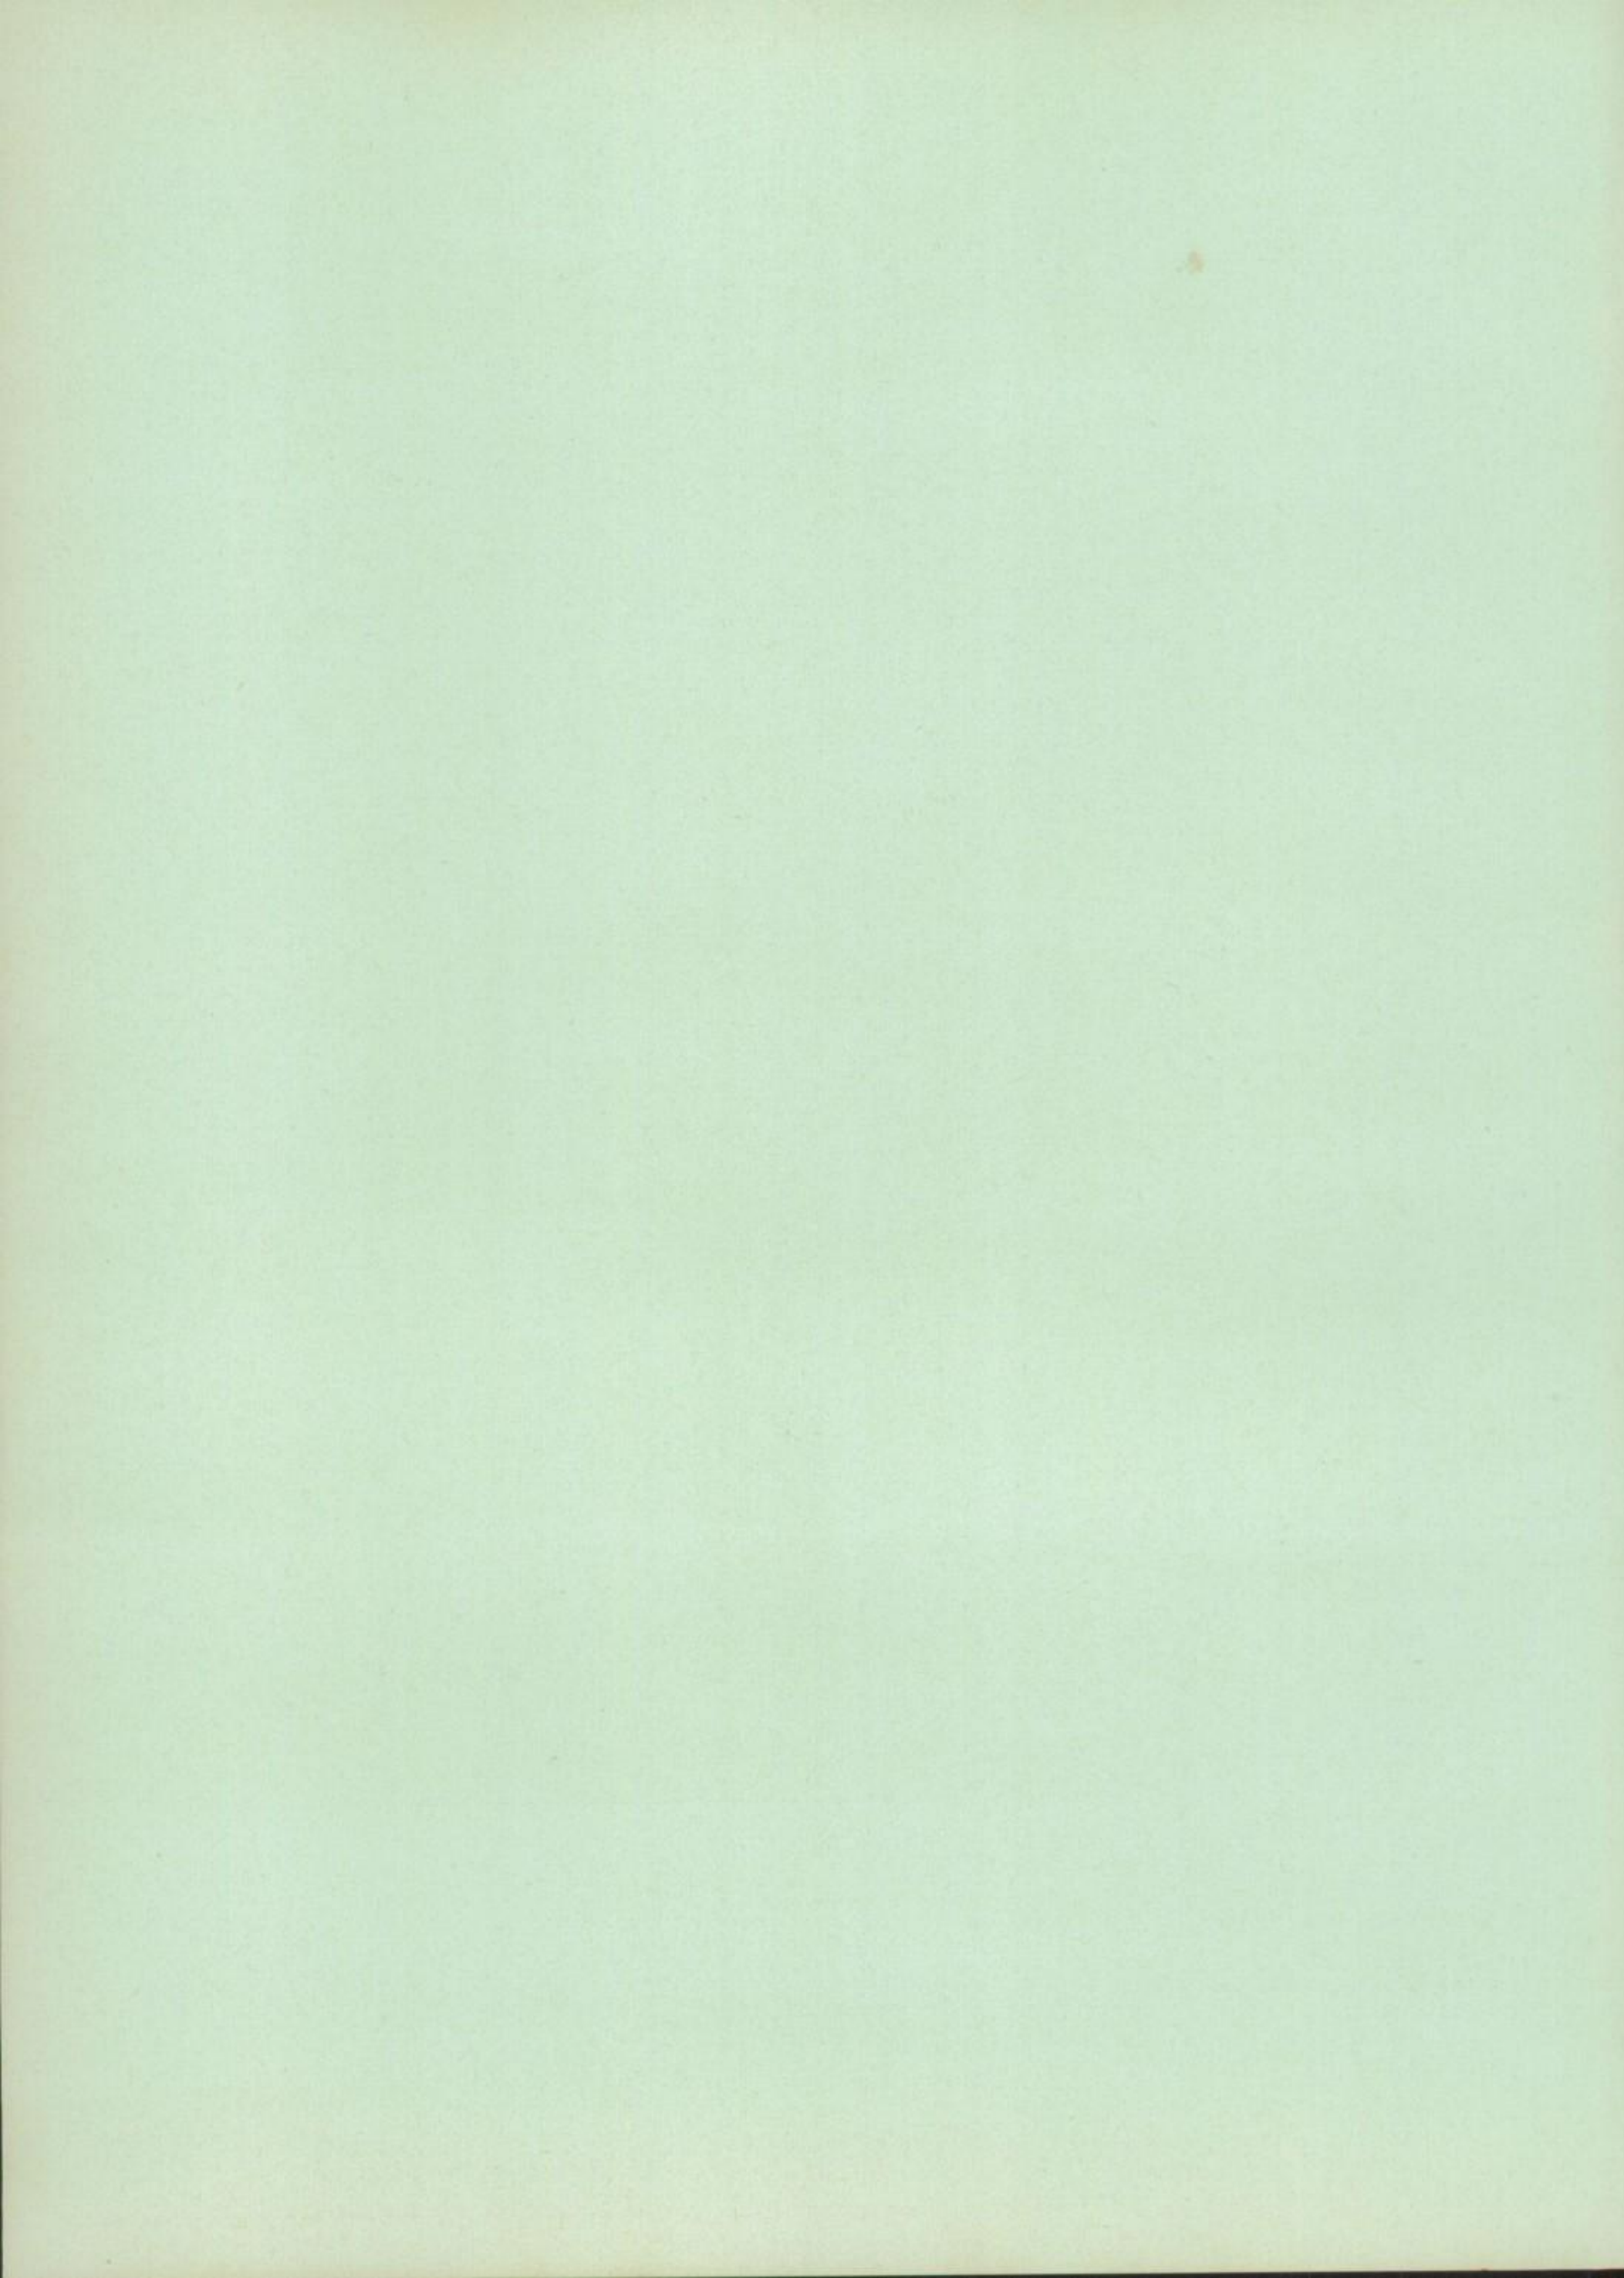

---Alfred Tennyson

The yearly plans are discussed for the students' study and enjoyment.

Education and Evaluation

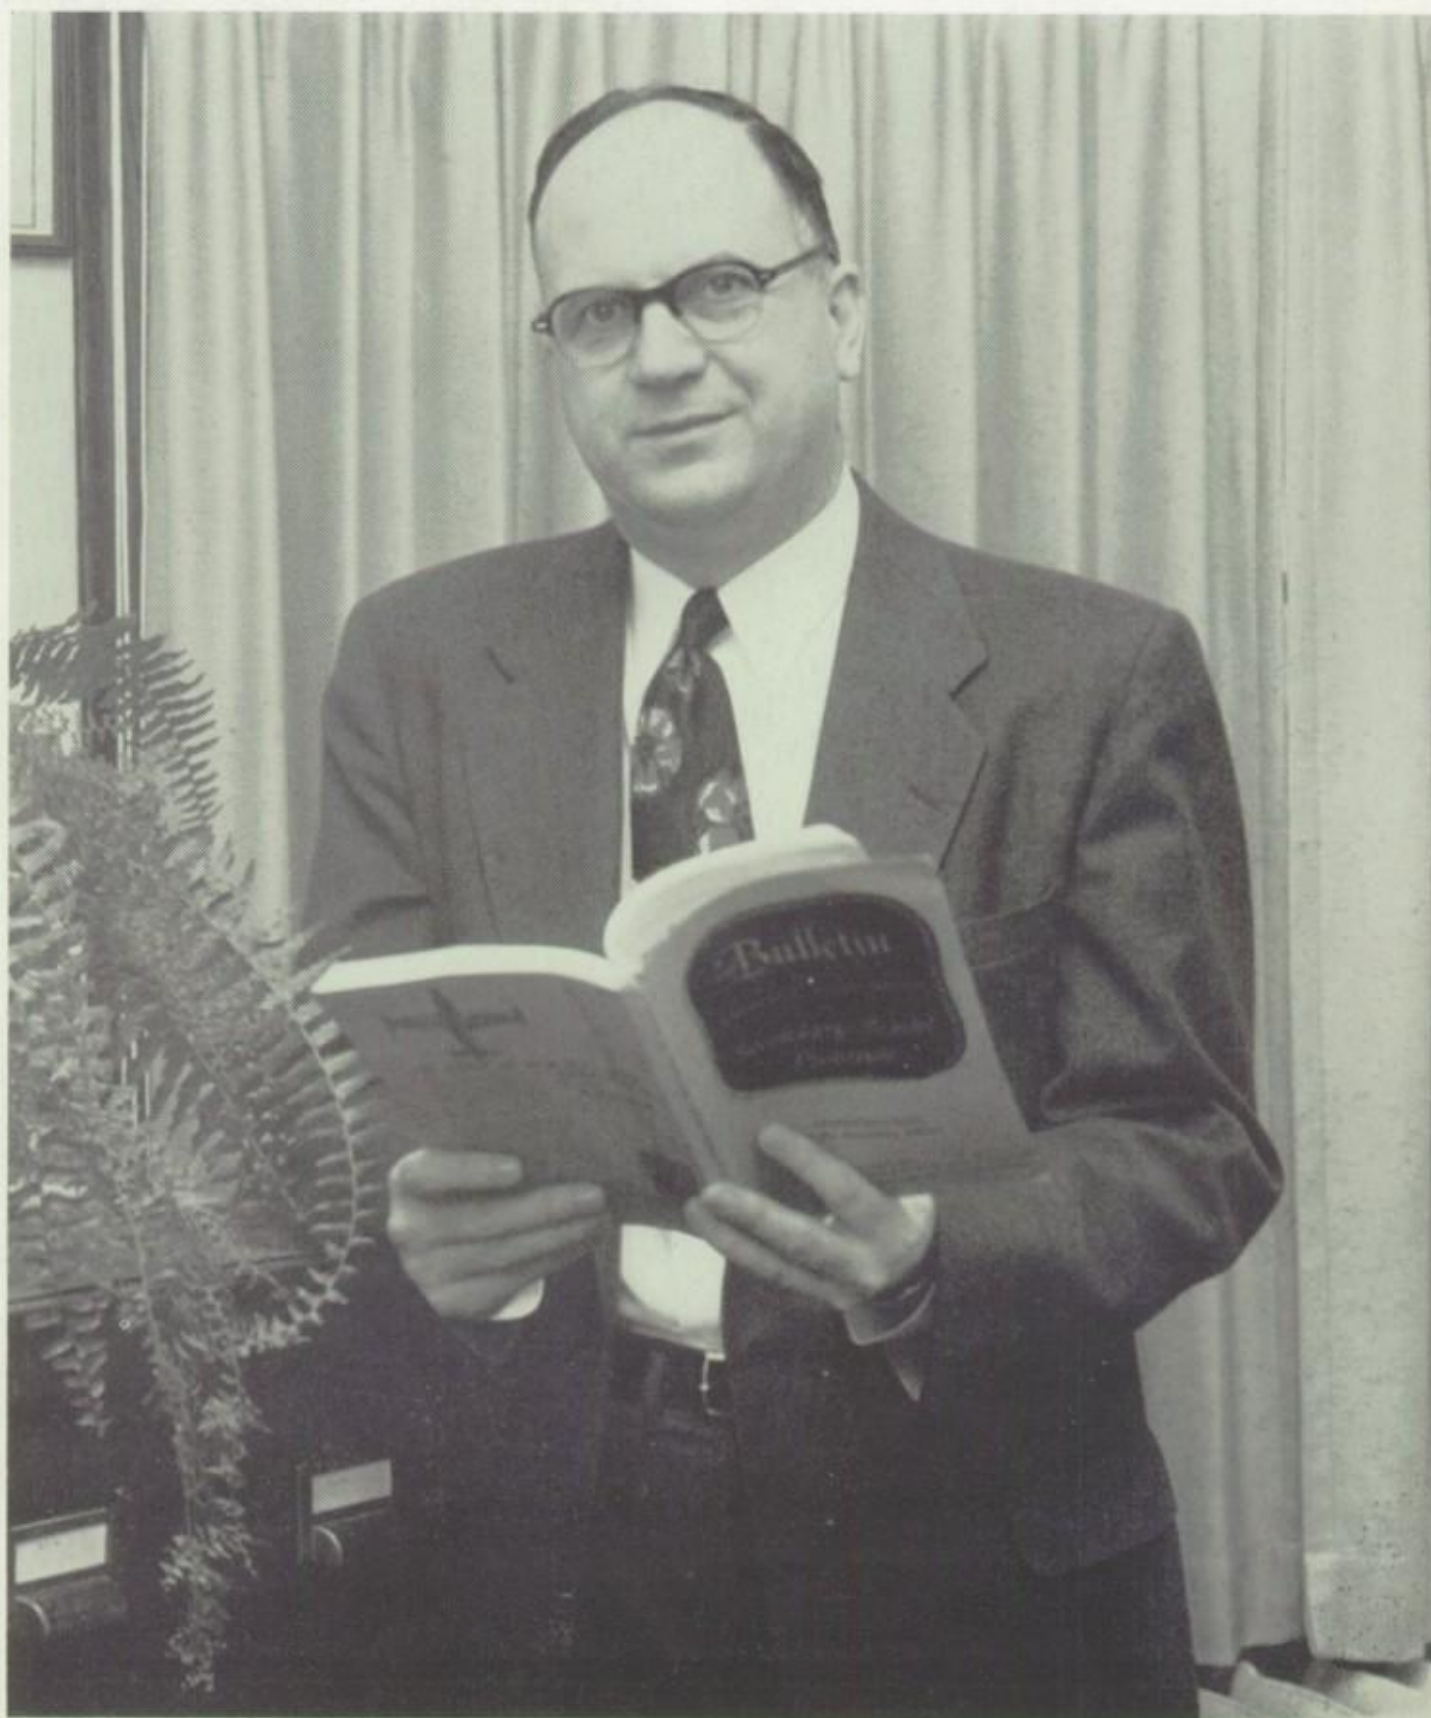

A tribute we make to him who combines his wisdom with a youthful spirit. Who gives to us a strong and guiding hand. Who is tolerant and kind, and helps us set and keep our goals. Who has youth's energy and brightness, and yet the wisdom of age.

A tribute we make to him whom we admire and respect. Who makes our days at Denfeld rich and full.

A tribute we make to G. Dell Daedo, our principal, but above that, our friend.

G. DELL DAEDO, Principal

Besides being assistant principal and the head football coach, Mr. Walter Hunting is the Denfeld boys' counselor.

Mr. Hunting carries the responsibility of giving advice and guiding the boys through their many school problems.

Through 29 years of service Mr. Hunting has helped set many a student on the right track. Appreciation to this fine gentleman cannot be repaid by mere words but, instead, by honest and sincere deeds, which he values most highly.

WALTER HUNTING, Assistant Principal

ETHELYN GRUETZMACHER, Girls' Counselor

Her deep understanding and sympathy, combined with quick wit and pleasing personality, make her a favorite of the girls here at Denfeld.

Excuses and permits are only a part of her busy days at Denfeld. Counseling is often trying to the counselor, but the rewards are even greater. No problem is too insignificant to merit her closest attention and thought.

Many a girl has walked out of her office refreshed in mind and soul, ready to face the world and its problems and difficulties.

Efficiency is the goal and principle of Mrs. Doris Klopp, Miss Mary Wieveg, and Miss Bertie Frazee, who make up our main office staff. They represent Denfeld in correspondence, record management, and many other similar tasks.

Coach's quarters and counselor's office; the buzz of the busy seldom ceases in Mr. Hunting's office. Attendance, boys' supervision, and the like are cared for by his cadets, three of whom are Virginia Antila, Margie Bennett, and Beverlee Erickson.

Like the other offices of the school, Miss Gruetzmacher has cadets such as Peggy Lufholm and Dorelle Topliff to assist her in the various responsibilities which she must supervise. The girls' department problems and attendance records are headquartered here.

Through the hallway to the future, they lead us with judgment.

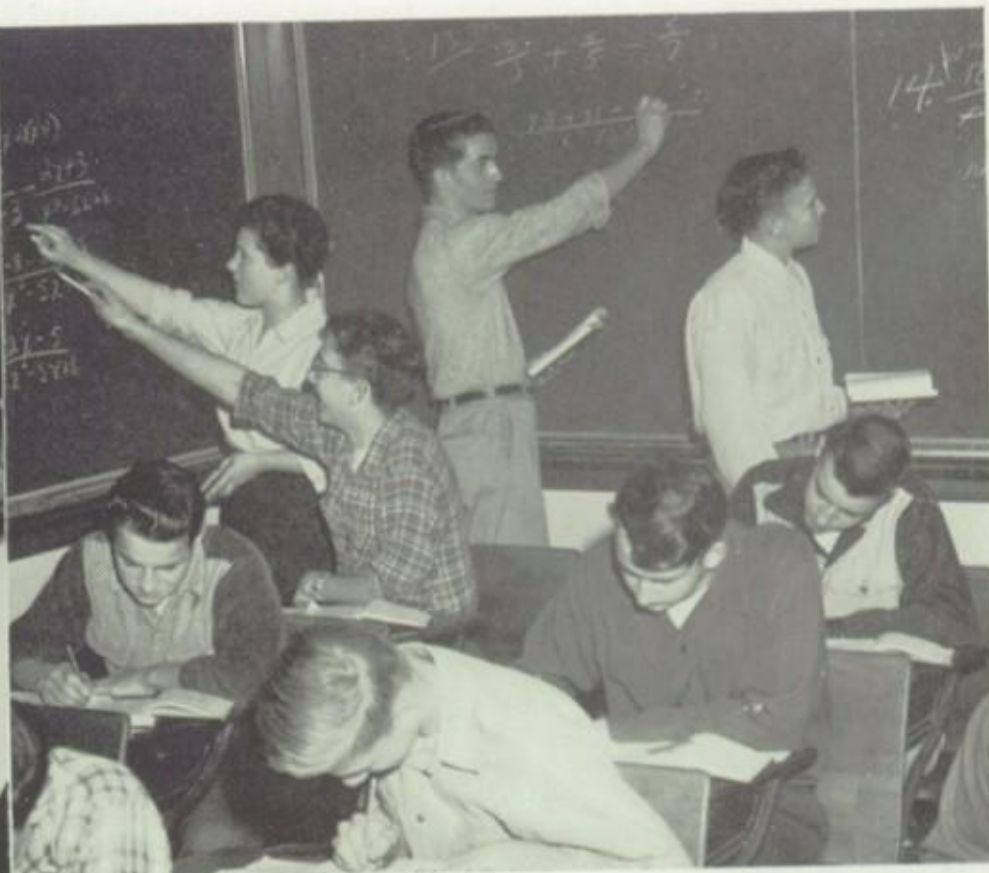

Miss Margaret Gatzweiler jokes with her class over the fine points of creative writing.

The welfare of the world is a serious problem in the discussion of the social studies classes.

Science comes to the front of interests for sophomores in the biology classes.

Future engineers and mathematicians ponder over the day's problems.

In Denfeld, the halls of knowledge are not ones that are full of dissatisfied students. This is a fact realized by the faculty of Denfeld. Through their faithful years of service, the teachers' main purpose has been that of developing the students' personality and a worthwhile outlook on their future career.

To a stranger the many types of courses offered at Denfeld may seem almost too varied. But to the graduates of this school many types of work and adventure have been dipped into.

This has been the idea behind Denfeld's many courses. To prepare the student for all situations is the faculty's objective.

Onward and up, they guide us, onward with wisdom and care.

Hemming comes easy after lots of experience in the girls' sewing class.

Mr. Adolph Johnson gives the ABC's of home mechanics to his 5th period girls.

Giving lessons on typing rudiments is the daily occupation of Mr. Harold Goetsch.

Business Education Day visitors are held spellbound by the many types of business machines.

The glamorous business world opens to the Denfelder through the business courses. The things the boys and girls learn today will turn them into the secretaries and executives of tomorrow.

Manual arts is another course which is valuable. The boys can learn a clean trade and through experience gain a good position.

The girls prepare themselves for home life by studying in the excellent home economics department.

Meanwhile the scientists and mathematicians of the future are being capably directed in the mathematics and science courses. These ambitious students will help to form a secure world.

The doors to the future they open to us. Bid us enter,

They have brought us to the right road, but we will

Mr. Bank's boys ponder an electrical problem.
Mr. Busch just hopes they won't blow up Denfeld.

The boys plan a future home under Mr. Zimmerman's instruction.
Mr. Wohlfeil gives sanding instructions to his art enthusiasts.

The knowledge which a well informed citizen should positively have to make him into a mature adult is provided in the English, language, and social studies departments.

The world is made up of color and mood. The artists and musicians of today do much to form this atmosphere. The art and music groups are preparing

themselves for influential positions in the world.

Physical education is a part of everyone's training. The health department here is developing our students into strong, healthy human beings.

The ways of life are open to all. Denfelders have been well prepared for ways ahead of them. They will be among the influential people of tomorrow.

not leave them here. Through life they will be with us.

Custodians—Seated: Ernest Liljedahl, Ed Newsome, Mary Bishop, Louis Schreiner. Standing: Helmer Skoglund, Clarence Harris, Ben Nordgren, Ed Anderson, Frank Andrzyewski.

Head Engineer Fred Alfons gives the day's orders to one of his staff, Gordon Moe.

Cafe Staff—Mrs. Margaret Fox, Mrs. Frances Johnson (manager), and Miss Irene Johnson.

Behind scenes the hardest workers are often found. On any morning Denfelders walk into a building that is clean, heated, smooth running, and ready for another day. The custodians and Mr. Alfons, the chief engineer, are the responsible ones. This well organized crew keeps Denfeld in top running order.

In the cafeteria at noon and through most of the day pans and dishes can be heard rattling and aromatic odors of cooking food can be perceived. The cooking crew is working hard to keep the faculty and student body fed and happy. They don't receive a lot of thanks but the average Denfeld student feels very appreciative for all they do.

Cooking and cleaning are not a chore to a competent staff.

New to Denfeld, Mr. Robert Erickson meets an anxious parent at Open House.

Mr. Dell Daedo looks on as Mr. Joseph Dunn serves himself to some sweets.

Watch those calories, girls. Misses JoAnn Johnson, Dorothy Johnson, and Belle Kaake enjoy the Faculty Tea.

Mr. Walter Hunting talks with many of those that appeared at Denfeld's largest Open House.

The annual Denfeld Open House is the place for all of Denfeld's teaching force to exchange greetings and earn friends among the parents of the student body. The 1953 Open House proved to be the biggest and most successful so far.

The Power Club Faculty Tea was held on December

16, two days before the Christmas vacation. This was one of the highlights of the faculty social season.

Fun isn't the most common denominator of an educator. They work hard and they are willing to sacrifice for their students. Through a "thanks" and a smile of appreciation, the Denfeld students continue to show their feelings to the pilot lights of youth—the teachers.

Relaxation, though rare, is enjoyable to the faculty.

They leave the halls of learning with laughter and
anticipation as the future unfolds.

Seniors Start Trek Into Future

Another senior class walks through the halls of Denfeld for the last time. There is a smile on our faces as we step forward into the world. But a slight trembling of the chin can be noticed when we look back to our three years at Denfeld and remember all the things which have become so dear to us.

There are the classrooms where we so nervously clutched our pencils before a big test or where we took part in educational and frequently entertaining discussions. This is where our teachers helped us to enjoy our preparations for the future, making every phase of our work interesting.

As a class we can proudly look back on our presentation of "The Barretts of Wimpole Street," which displayed outstanding talents. Excellent ac-

complishments were made in many other fields, such as speech, music, sports, and debate.

Several other highlights of the year were Kid Day, bringing us all the way back to our grade school days; the Banquet, putting us in the atmosphere of adulthood; and finally the prom, adding a flavor of romance to our last days of Denfeld.

The credit for making this last year successful belongs to many. Our appreciation goes to the senior class advisers, Miss Aurora Mattson and Mr. Nordal Anderson, for their help in our class affairs; Mr. Daedo and the counselors, Miss Ethelyn Gruetzmacher and Mr. Walter Hunting, for their advice in personal matters.

We wish success to the future senior and junior classes who will have a large part in our memories of Denfeld.

Second Year Proves Great To Mid-classmen

We look back down the halls of Denfeld, at our past two years, with pride, and forward to our senior year, as we enter new doors, with expectation.

Our junior year began with the election of officers. We wisely chose them from a field of many able nominees.

We excelled in all fields of endeavor — sports, speech, creative writing, music and many others. This year juniors held key positions on football, basketball, and track teams. The Criterion staff, the a cappella choir and the debate squad also were well supplied with junior talent. We have helped to win school honors

and in doing so have acquired unforgettable memories of our junior year.

The Prom, May 28, added a gay touch to the end of our junior year as we played host to the senior class at the annual formal dance.

We owe a great deal of thanks to Mrs. Genevieve Eby and Mr. Waldemar Johnson for their advice and counsel. The junior class says a thank you for the wonderful work you have done for and with us.

Now as we look down the halls to our senior year, we hope that success may always follow us as we open door to the future.

Sophs "On Their Toes" First Year

When sophomore feet traced their first footprints through the hallways of Denfeld on September 4, when they attended the Sophomore Class Tea, until June 11, when they received their last 10th grade report cards, the class of '56 has accomplished the first part of their journey through Denfeld.

Automatically members of the Girls' Club and the Boys' Union, sophomores added their bit to the major project of each group — the annual Girls' Club operetta and the Boys' Union Vaudeville. Assisting the committees, singing in the choruses, contributing new ideas, and participating wholeheartedly, this sophomore class has been "on their toes" as the title of their class play, "Belles on Their Toes" suggests. Although other class plays may be rated "excellent," and "re-

markable," the sophomore play is always the "cutest," the other classes agree.

The 1953-54 faculty advisers for the sophomore class were Mrs. Florence Peterson and Mr. Harold Ahlbom, to whom we are most grateful.

In other fields sophomores have proved worth-while members of Denfeld — band and orchestra, debate, in which they placed second in the novice tournament, athletics, photography, cheerleading, vocal music, and the Criterion.

Highlighting the school year was the Sophomore Class Party held May 28.

With the coming of June, sophomores began thinking of and looking forward to their junior year.

Perseverance Acquires Reward For Pyramid

Bob Rich disperses collection boxes to Jerry Wicklund and Glenn Sampson on Tag Day.

The year 1953-54 has been a year for meeting new horizons as far as concerns the Pyramid.

Safety was the big topic for the Pyramid in the fall. Starting with the Duluth Teen-Age Safety Council work and going on to the acquiring of a stop light at 44th and Grand, the group did much to help Duluth traffic safety. We must not forget the Safety Congress held in the auditorium.

The fund drives which the Pyramid have been in charge of were highly successful. In fact the collections amounted to more than in any other year. Tag Day, during which a collection for the needy was taken, ended with the highest collection yet, \$176.29.

More money was brought into Denfeld's coffers with the aid of the homeroom representatives and the whole school. The magazine drive met its goal of \$4,500 and was brought to a good end. Various other money raising projects were taken by the Pyramid, including the alumni game and dance.

March 25, Student Day, during which the students took over the teachers' position, was highly successful. It was a new idea for Duluth schools and proved worthwhile.

Bob Rich, president, did a superb job in directing the Pyramid along with the help of advisers, Miss Dorothy Johnson and Miss Louise Hall.

Fun and Business Make Union Hum

Advisers join in on the devilment during the advertising assembly for the Vodvil.

Under the leadership of President Mike Rich and the executive board, Denfeld's Boys' Union has contributed its share to school life in again presenting a busy and profitable schedule. Aiding the boys in their projects were Mr. Wayne Brittan, Mr. James Busch, Mr. Robert Erickson, Mr. Edgar Felten, and Mr. Harold Ahlbom, the clubs advisers.

The boys' activities started on October 13 when their annual stag was held. The program for the evening consisted of a turkey dinner, community singing led by Mr. Edgar Felten, and an assembly program. As is customary, one of the faculty members had his life exposed at this program. This year the boys presented a play on the past of Mr. Clayton Shulstad.

Next on the agenda of business was the Boys' Union Vodvil presented November 12 and 13. Eighteen acts made up the vodvil program. Over fifty dollars in prizes were awarded to the best acts. The judging was done by past Boys' Union and Girls' Club presidents and prominent citizens of the community. An assembly advertising the vodvil was presented November 6.

In intramural basketball, sponsored by the Boys' Union, the Bullets won the school title out of a field of 14 teams. They received a cake from Mr. Warren Gude and a prize from the Boys' Union. Leonard Anderson was the student manager of the event.

Stag and Vodvil Chairmen—Row 1: Robert Monson, Jon Sampson, Leonard Anderson, Rosemary Hren. Row 2: Robert Nissen, Larry Duncan, Edward Hengemuehler, Roger Holten, Michael Rich, Robert LeVasseur, David McKenna, Ray Mickolajak. "Oh! Such music," says Gary King, while listening to Dick "Ellie Mae" Puglisi perform at the Vodvil.

Members of the Armed Forces appeared in the February 17th Boys' Union meeting to discuss their branches of the service. On April 23 the boys co-sponsored a dance with the Girls' Club. In January an all-boys assembly was presented at which boys led the cheers, took

the parts of the majorettes, and even supplied the Power Club president.

Latest men's fashions were featured at the Boys' Union Style Show, held on April 30. The clothing was furnished by McGregor and Soderstrom's and modeled by the boys.

The boys chat and enjoy the stag after receiving their vittles.

Denfeld's alluring twirlers display pep, beauty and grace.

Operetta Chairmen—Row 1: Sonia Young, Peggy Lufholm, Marilyn Jentoft. Row 2: Claudia Olson, June Anderson, Evelyn Rapp. Standing: Rose Marie Keppers, Mara Adamsons, Joanna Fredin, Joan Kempf, Rosemary Hren, Donna Paulson, Arlene Rappana.

The success of the operetta "New Moon" by Romberg, presented by the Girls' Club February 11-12, shows how the girls at Denfeld will work together for the benefit of their school.

At their first meeting in September, a preview of coming attractions was presented, including sports, music, dancing and various fields for every girl to participate in.

Big and little "sister" mixers were held to enable the sophomore girls to get acquainted with their classmates. A picnic at Fairmont park was enjoyed by both the big and little sisters.

Describing her experiences in Europe and showing slides, the "American in Paris," Shirley Mellesmoen, presented a program before the November assembly. Dancing "By the Light of the Silvery Moon" climaxed the November social season.

Many girls remember the fun they helped provide for the little children at the annual Christmas party. On January 19, our annual banquet was held, featuring the latest spring fashions.

Helpful facial hints and other beauty aids were given to the girls by Miss Luella Bailey at their meeting in March. We remembered "Mama" at our mother-daughter tea in May.

But the time to change reels, or cabinets, came all too soon. New "directors" were chosen, then came the senior farewell.

Directing the presentation of "films" throughout the year was Shirley Mellesmoen, assisted by Miss Abby Gregory, who is responsible for making our Girls' Club the success it is.

Fight, Team, Fight!

The two gals are at it again. Miss JoAnn Johnson and Ginny are in conference over Western Round Up Day.

"Fight, Team, Fight!"—these words express the main purpose of the Power Club in pep and spirit among the student body. Under the leadership of Virginia Johnson, president, and Joann Johnson, faculty adviser, 1953-54 proved to be a year in which this motto was well upheld.

With the Hello Day Dance, the Power Club started the year off right by helping all new students to become better acquainted with the school.

Their big undertaking was Maroon and Gold Day. Many hours of planning and hard work went into making this day one not to be forgotten.

The faculty was entertained by the club at the annual faculty tea in the cafeteria before the Christmas holidays.

Following this, our king was crowned at Homecoming, under a wintry setting, complete with Christmas trees and tinsel.

Before the basketball tournaments, Western Roundup Day was held in the gym. A big pep assembly with skits and cheers put the student body into a peppy mood for our game.

The sale of Christmas cards, pom-poms, and pins proved to be only a few of the ways used in getting money for the various activities.

Denfeld's high ideals have been maintained by the group of students who have worked to make this year so successful.

Cheerleaders Play Important Role

In September, 1953, Denfeld's cheerleaders were chosen in the Hello Day pep assembly. The seniors were Fay Ray (head) and Janis Peterson; the juniors, Roberta Schuman and Sandra Knutson; and the sophomores, Karen Erickson, Judy Marion, and Phyllis Carlson. During the year they have tried to build pep and spirit in the student body. They have backed our team in all football, basketball, and hockey games. Through the proceeds of their candy sales and the help of the magazine drive, they were able to get new uniforms. The cheerleaders have helped to make this year an outstanding one in the history of the Power Club.

Power Club member Fay Ray enjoys selling Christmas cards and wrappings to Marlene Brandt, Mary Ann Seymour, Jeanette Dumas and Bernadette Gotchie.

Paste and Type Make Staff Meet Deadline

Under the direction of Miss Belle Kaake, adviser, and editor-in-chief, Russell Gran, along with a very capable staff, the 1954 Oracle has been brought to publication.

Early last fall the staff began incorporating ideas for a completely new style book. One of the first tasks was the problem of finding an interesting cover. After much debate the staff finally decided on the one before you.

Late fall saw the tide of pictures flow in. Along with this came the cropping of pictures and writing of copy. This took many tedious hours of work.

After the Christmas holidays the smell of rubber cement and the ping of the typewriter became a familiar characteristic of the Oracle office as the staff worked to meet the deadline.

Don't forget the many hours of work put in by Janis Peterson and her able staff. This business staff was under the direction of Clayton Shulstad.

Now that the book is finished we proudly present it to you. We hope you will enjoy it and that it will bring many pleasant memories into your future years.

Barbara Carlson and Don Senarighi examine the merits of the latest "Cri".

Dear Old "Cri" Keeps Denfeld On Map

Room 307, known to many as the "dear old Cri room," is the home of one of the busiest organizations in Denfeld, our school paper. Every two weeks it's a familiar sight to see the editors frantically gathering the copy together as another dead line rolls around.

Under the direction of Barbara Carlson, and the adviser, Miss Margaret Gatzweiler, the staff has presented fourteen issues to the student body. The job of manag-

ing editor has been handled by Don Senarighi. In addition to co-ordinating the whole paper, Don also has done a fine job as sports editor.

Not to be forgotten is the business end of the productions. Headed by Roger Holten, the business staff was a familiar sight to many Duluth business houses as they sold advertisements to help defray the cost of putting out the paper. Mrs. Winnifred Maier is their adviser.

Forensic Season Proves Denfeld An Able Winner.

With the guidance of Mr. Harold Goetsche, Mr. Joseph Dunn, Miss Callie Merrit and Miss Ethel McHugh, the forensic season at Denfeld proved to be very successful.

The speech season started in the fall when ten students were selected to participate in the Eau Claire Discussion Tournament on October 24. The topic discussed was "How Should the President of the United States be Elected?" Glenn Sampson was named to an all-tournament team composed of the ten top speakers.

On November 7, Denfeld was host to Region Seven's Annual Speech Clinic. The purpose of the clinic was to interest students and their coaches in the forensic events sponsored under the auspices of the National Forensic League. Student demonstrators were chosen devoted to the various forensic events which in this clinic were not competitive.

After a brief rest, the season re-opened in the spring with two invitational speech tournaments. The first was held at East on March 13; the second, at Denfeld on March 20. Denfeld speakers composed over half of the entrants in both tournaments participating in learned and original oratory, group discussion, extemporaneous speaking, manuscript reading, and dramatic and humorous interpretation.

The National Forensic League tournament was held at St. Cloud on March 26 and 27. Denfeld missed the

sweepstakes trophy by only two points with four Denfeld students placing first in their respective divisions.

In the district tournament Denfeld speakers won nine out of 18 superior ratings. Denfeld and Grand Rapids tied for first in the regional tournament with Barbara Bell and Glenn Sampson receiving superior ratings in humorous interpretation and original oratory respectively. In the state tournament on April 23, Barbara Bell won a superior in her field.

Glenn Sampson went far for Denfeld in the Voice of Democracy contest, winning school, city, and regional contests, also capturing second in the state out of 22 finalists. In the V. F. W. Oratory contest Glenn won first in the district tournament and placed first at state. This is the fourth consecutive year a Denfeld speaker has won this contest.

May 7 featured in the N. F. L. Student Congress which was a new experiment at Denfeld this year. The chapter at Denfeld was awarded 17 seats in accordance with its chapter strength which is about 125, placing it in the upper tenth of N. F. L. chapters throughout the country.

"The Importance of Being Earnest," by Oscar Wilde, was the speech play coached by Mr. Dunn this year which won a superior at the district tournament. Marlene Holmes, assistant director, and Joan Kempf, costumes, did much to bring success to the play.

Civic organizations in Duluth are constantly demanding speakers. Denfeld has come to the front many times by providing a wide program of styles and messages for the many groups.

The Red Cross, Kiwanis, and the West Duluth Business Men's Club are among the places where Denfeldites have been of service.

Here at Denfeld the orators have made a welcome

place for themselves. Each organization has a small number of experienced speakers who have been of great assistance in organizing group ideas and in carrying each club's ideas to the student body.

The P.T.A. and faculty have also enjoyed Denfeld's speech makers. The students have brought various forms of entertainment and enlightenment to the adults through the spoken word.

School Orators Compile State Honors

Under the able direction of Mr. Hal W. Goetsch, who is serving his second year at Denfeld, our seven debate teams came through the season with commendable success, evidenced by the winning of 70% of all debates entered.

The first team, composed of Joan Kempf, Richard Puglisi, Carol Williams and Glenn Sampson, came through the season with their fair share of victories. The team did outstanding debating at the Gustavus Adolphus Tournament, placing fourth out of sixty schools with seven wins out of eight debates. In the Regional Tournament held at Chisholm, they won five out of six debates, thereby qualifying for state competition. In state competition Denfeld placed third, winning five out of six debates, losing one debate on a close decision of 2-1.

In the National Forensic League Tournament held at St. Cloud, our first team went through six rounds of stiff competition, winning five debates. They defeated Chisholm in the semi-finals, 3-0. The championship debate was lost to St. Cloud by a close decision of 2-1, thereby capturing second place.

Helping the first team and serving as alternates this year were James Banovetz and William Larson.

At the Eau Claire State College Tournament, Denfeld's first team in the "B" division was one of three teams in a ninety-four team division that went undefeated.

Our three sophomore teams enjoyed a very successful season. Participating in Denfeld's second annual Novice Tournament, a sophomore team composed of Robert Hansen, John Palmquist, Ruth Stresow and Patricia Scheiderick won six out of six debates. Donald Parson and Patricia Scheiderick tied for second negative honor positions of the tournament. Ruth Stresow took first negative laurels, and Robert Hansen received honorable mention. Dale Newberg was the outstanding debater of the tournament, earning the top individual speaking laurels.

Thus the debaters concluded another very successful year. The strength of the underclassmen promise even greater success for the future years of Denfeld.

Pigskin-men Display Teamwork

This year's edition of the Denfeld Hunters' football team showed good style in spots but as a whole the team had only a fair season. The Hunters acquired a record of two wins, five defeats, and one tie.

A powerful Ironwood team was the Hunters' first, but the more experienced Ironwood squad had a field day as they downed the Hunters 25-0.

Morgan Park took a heart-breaker from the Denfeld eleven when Denfeld lost the ball via a fumble on their own 12-yard line. Jim Lundstrom and Gordy Morris

showed the most improvement in this game.

Denfeld took on the Superior Central Vikings in their third game of the season but the Vikings had too much power for the fumbling Hunters. Lee Klint, Jerry Liston and Bob Coning along with Ken Gowdy and Leroy Chiovitte sparked the Hunters in their futile attempt for a victory.

The first win of the season was against Cloquet at Cloquet. With one minute and 20 seconds to go, Bob Monson tossed a pass to Bob Coning for the first Hunter

touchdown of the year. George Wessman scored on the second play of the game but the touchdown didn't count because of a penalty.

The only tie of the year came when Denfeld met a tough high spirited Cathedral Hilltopper team. Fancy running by Les Minter and the passing and punting of Monson were featured in the 6-6 tie. Denfeld scored its touchdown just before the half after Minter went 32 yards in three plays. Monson then tossed a ball to Jim

West who shoveled it to Chiovitte who went over for the score.

The Hunters lost to the Eau Claire Old Abes by a score of 25-7. The only Denfeld score was made on a 78-yard run by Monson.

When Denfeld met East, the Hunters started out fast with a touchdown pass from Liston to West with only three minutes of the game gone. Monson lateraled to Liston for the second score, and Chiovitte crashed over

tackle for the third Denfeld tally. Chiovitte ran 30 yards for the fourth Hunter touchdown to make the score read 25-0.

Central won a hard fought 14-0 decision over the Hunters in the last game of the season. Denfeld put on a dazzling array of reverses and trick plays that baffled the Trojans but the tricks were not enough to stop the Trojan attack.

Captain Lon Gobell did a fine job of piloting the team through the year. Lon's good sportsmanship and fine teamwork gave him an "All City" tackle post.

The record of two wins, five losses and one tie was not too impressive but the clean, hard fought games the Hunters played gave the fans the impression that the team was out to play to the best of their ability win or lose.

Hep-Track Trodders Remain Tops

Although handicapped by poor weather conditions, the Denfeld track squad, under the leadership of Mr. Frank Puglisi and Mr. Waldemar Johnson, has again this year shown themselves to be able representatives of Denfeld High School by coming through with a successful season.

The team was set back by bad weather from the start of the season, for they could not get outdoors to practice. Mr. Puglisi remarked that the boys offset this difficulty by being the hardest working team he has had in many years.

The Hunters had their first chance to prove themselves at the inter-school track meet held April 22, and 23. Even this meet was delayed by adverse weather conditions. The seniors, coached by Mr. Johnson, took first place in the event with 9 points. The juniors finished second with 51 points, followed by the sophomores with 11 points.

Denfeld's next two meets were both postponed because of snow. They were the Lewis Relays scheduled for May 1 and the Two Harbors Duo meet, which had been set for May 4.

Other meets in which Denfeld participated were: the Cloquet meet May 6, the Hibbing Invitational May 8, a duo meet with East on May 11, the Big Seven meet on May 18, and the All-City meet on May 27 and again on June 1.

Row 1: Thomas Clarke, Roy Muscatello, Leonard Anderson, Leslie Minter, Lon Gobell, Paul Jacobson, Gordon Morris, Richard Stronach, Earl Lowe, Ronald Colette. Fleet-Footers Finish Successful Year

With only two lettermen returning and a squad made up of three juniors, three sophomores, and one freshman, Coach Waldemar Johnson guided his cross country team to a successful season again this year. Clyde Johnson and Howard Hakala co-captained the team.

The boys started training before school began. On October 3, they participated in their first meet, the Swain Invitational, in which they finished in fourth place. On October 16, Denfeld was host to Minneapolis North in a dual meet. North defeated the Hunters for the first time since 1947.

On October 24, the Hunters entered the regional test held at Grand Rapids. Denfeld placed third in this meet against very tough competition. Clyde Johnson, first Denfeldite across the finish line, finished in eighth place even though he bettered the previous record by three-tenths of a second.

At Lake Nokomis Park in Minneapolis, Denfeld ran in the state meet October 30, where 332 runners competed. Denfeld placed eleventh in this running. The Hunter harriers finished in the following order: Clyde Johnson was first, finishing 16th, then Howard Hakala, Ray Mickolajak, Ray LaBrosse, Ben Vedo, Dennis Borich and Tom Miletich.

Orders to do a good job come from Dick Johnson, captain, before a big meet.

A smart, well coached Denfeld Hunter basketball team ended its season with a 15-wins-and-four-loss record. The Hunters copped top honors in the Big Seven League and third in the Head of Lakes Conference. Head Coach Harold Ahlbom gave the team an effective stall that enabled the team to win many of those close games.

The opening game saw nine boys break into the scoring column for Denfeld to down a spirited Proctor five, 65-39. Duluth Central was next to feel the Hunters' ax as the Trojans were first out-fought then out-stalled.

Two Harbors had a home court advantage but Denfeld rolled to an easy 51-43 victory. Ken Gowdy and Bob Monson dropped 22 and 18 points respectively to help the Hunters down Superior Central to the tune of 66-64.

Duluth Cathedral fell victim to a last quarter scoring spree by the Hunters to give the Hunters a 60-48 verdict.

Morgan Park's Wildcats got scratched 58-47 when they invaded the Hunters' gym. The Cats used a press but it back-fired as Denfeld won the game on the Parkers' fouls.

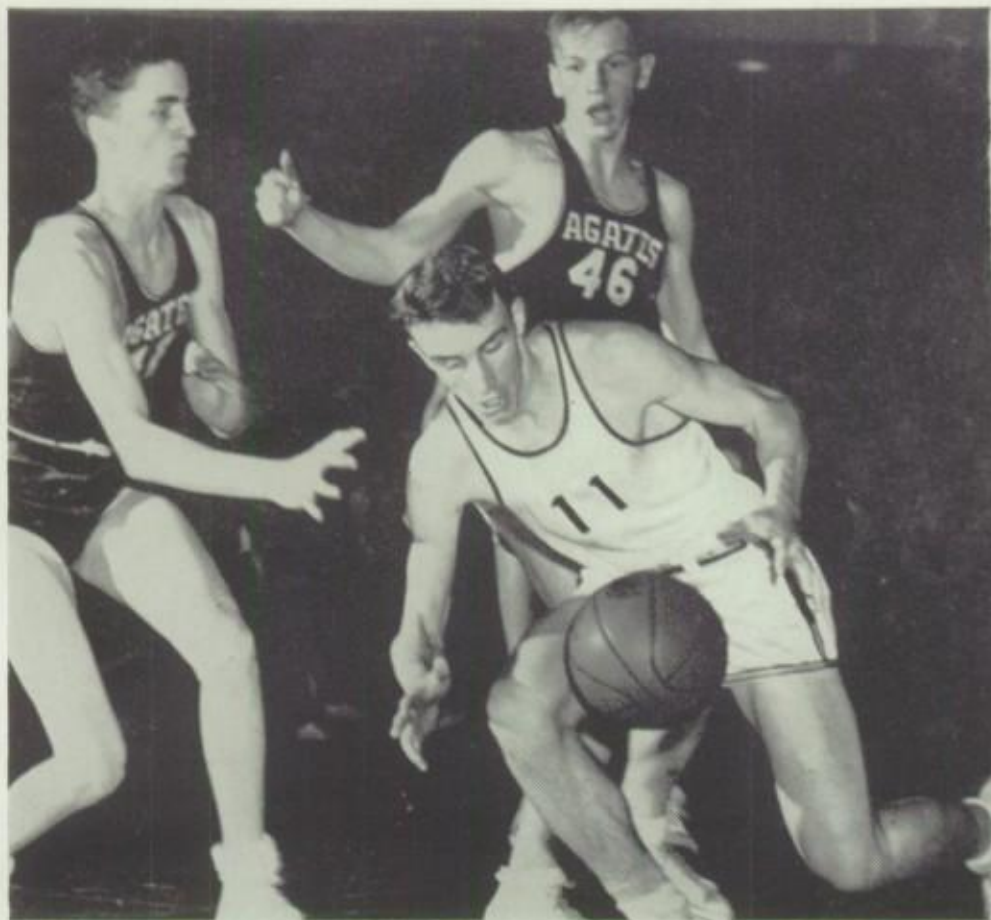

The first loss of the year came when the Hunters took on the alumni. Jack Grimes, an alumni guard, clinched the hard fought game with a bucket in the last four seconds to make the score read 52-50. Denfeld won its seventh straight conference victory with East as the victims. They took a 65-48 trouncing.

Jackson High School handed the Hunters their second loss of the year, 54-44. The game was the preliminary game before the Minnesota vs. Indiana thriller. The Jackson vs. Denfeld tilt was a non-conference game.

first two conference losses of the season. Cloquet took the first game 47-38, and Central avenged themselves, for the 28-22 loss at the hands of the Hunters, by outlasting the Hunters 55-51.

A Superior Central team won a hard fought 52-49 victory over Denfeld to gain revenge for a previous loss during the season. This was the first Denfeld appearance on the new UMD court. It also marked the fourth and last Hunter loss of the season, with the exception of the tournaments.

Duluth Cathedral, Morgan Park, and Superior East fell in that order to the Hunters by scores of 82-70, 43-36, 61-53. The Topper game was the highest point output by Denfeld of the year.

Ken Joseph, of Cloquet, led his team with 24 points but Jon Sampson and Monson combined to dunk in 45 points to lead the Hunters to a 58-42 decision over the Jacks.

St. Thomas was next to feel the Hunters' drive, as they were easily beaten 75-52. Duluth East held Denfeld for three quarters, but the Hunters finally picked up enough points to use a stall which broke the Greyhounds' defense 62-51.

The tournament games found Denfeld matched up with the Greyhounds from East. East used a race horse style of offense to down the cold Hunter quint 65-61.

Splash and Bat Teams Have Gameful Year . . .

The swimming team of 1953-54 had a rather slow season but the teams main objective was to give the boys some competition and to build for later years in this sport.

Coached by Frank Puglisi and captained by Lon Gobell, the team competed in five different meets. They were two dual meets, one with Superior Central and one with Duluth Central. A triangular meet was held with Duluth and Superior Central. The final meet of the year took place at Virginia on February 20.

A record of nine wins and one loss was featured by the 1952-53 Denfeld baseball team.

To open the season, Coach Ray Mickolajak prepared the team for a tough two-game series with Superior Central, each winning one game.

Gene Erickson pitched a no-hit no-run, 12-0, ball game against Two Harbors for an outstanding pitching performance.

Denfeld played these five teams for their record: Superior Central, Two Harbors, East, Cotton and Cloquet.

Baseball—Row 1: Al Anderson, Terry Burns, Joseph Buckso, Richard Gillen, LeRoy Chiovitte, Alex Sisto, Ronald Johnson, Larry West. Row 2: Eli Miletich, Robert Anderson, Leslie Minter, Ronald Donahue, Leonard Sojka, Phillip Lindstrom, Allan Peterson, Gene Erickson, Coach Ray Mickolajak.

Golf—Ronald Stocke, William Patrick, Robert LeVasseur, George Kelnhofer, Frank Soderquist, Duane Branscombe.

... With Putters and Dribblers

The 1953 golf season ended rather abruptly for our team. After sweeping all but half a point in a dual meet with Hibbing and winning a triangular meet with Central and Cathedral, we lost out in the district tournament to a team from Duluth East. Members of the 1953 team were Gayle Johnson, Ron Stocke, Bob LeVasseur, and Bill Patrick.

The prospect of the 1954 season looks bright. The only meets that are scheduled thus far are the district meet at Cloquet, the regional meet in Virginia, on either May 29th or 30th, and the state meet to be held in Minneapolis on June 8.

"Bullets Cop Cake" was the Criterion headline for the finish of the Boys' Union intramural tournament. The Bullets copped the cake by frosting the El Magnificos 46-41, March 18, to end the two and a half month tourney.

A total of 70 games were played by 14 teams, an average of five games per team.

The tournament was supervised by Mr. Warren Gude and Lennie Anderson.

Six teams entered the finals at the end of the round-robin tournament.

Intramural Champs: Kneeling: Leroy Chiovitte, Richard Gillen. Standing: Warren Gude, supervisor, Gerald Liston, Gene Erickson, Donald Kenniger, Raymond Telega.

DISTRICT TOURNAMENT

Feb. 10—Denfeld 3—East	4
------------------------	---

This year the Denfeld hockey squad, under the able coaching of Ray Mickolajak, was divided into a sophomore and an "A" team.

The sophs' ax was felt in the first games of the year as they defeated Two Harbors 10 to 0, Morgan Park

Pucksters and . . .

8 to 2, and Moose Lake, easily defeated by 5 to 1. The "A" squad's first defeat was at Williams Arena. They dubbed St. Paul Harding. The next six games were easily taken by a superb looking Hunters' team.

The first two losses that Denfeld had felt since the season of '45-'46 hit when the pucksters invaded Trojan and Greyhound territory. They were defeated 2 to 0 and 4 to 3, respectively.

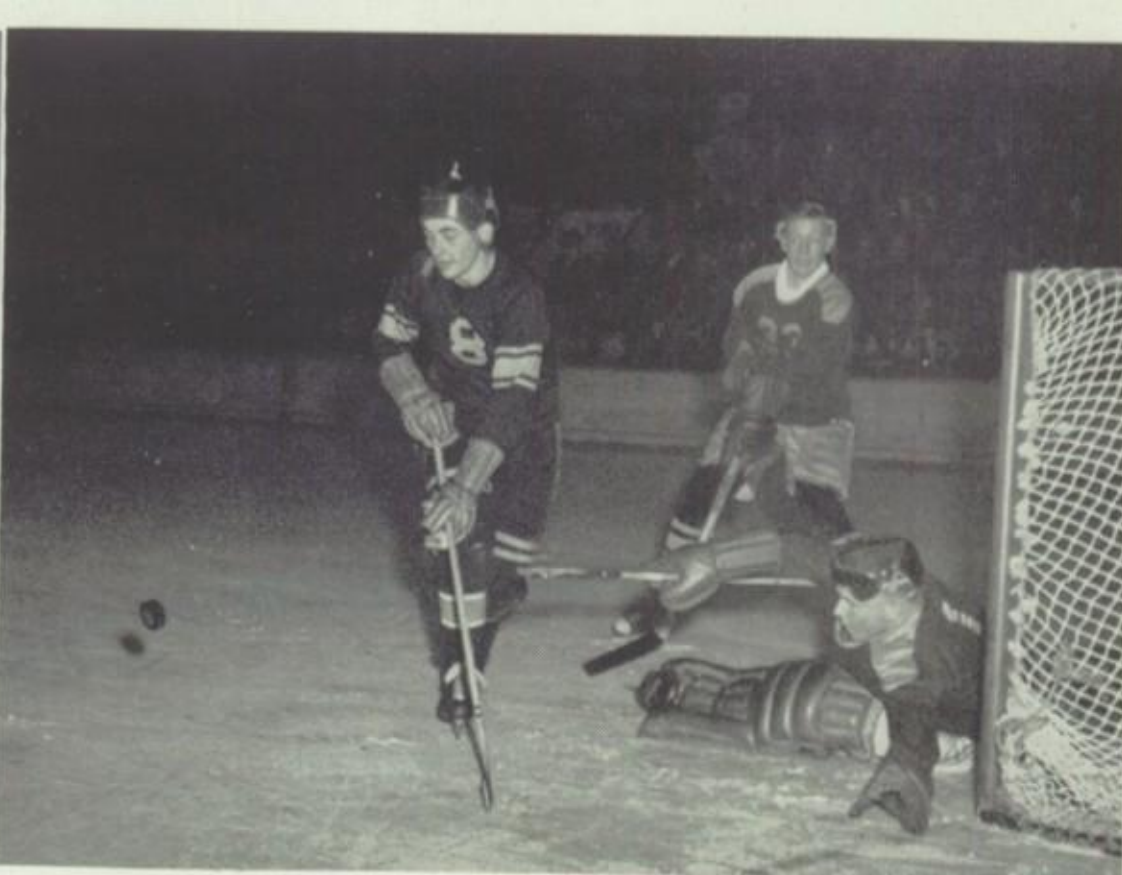

These games, however, did not count in the district race. But Denfeld's dream was popped. She lost to East in a hard-fought, fast overtime game by a score of 4 to 3. Still the Hunters came out a spirited and wonderfully co-ordinated team.

"B" Hockey Team—Mr. Ray Mickolajak, Scott Dahl, Peter Knutson, Ray Mickolajak, Joseph Bucsko, Eugene Sisto, Bruce Brostrom, Dale Hietala, Clifford Hay, Carl Anderson, Dennis Noreen, Darrel Swanfeld.

Dick Gillen makes a hard try for a goal in the Cathedral tilt.

Terry Burns catches a pass in a tough game against East.

. . . Skiers Have A Top-Notch Season

This year the ski team made a fine record for themselves. They captured third place in all three of their meets: the Chester Park Invitational, the District Meet, and the State Meet. These meets were held on three consecutive Saturdays in January and February, at Chester Bowl.

The boys began practice about two weeks before their first meet, and continued to practice until the State Meet.

In the State Meet, there were three boys on the jump-

ing, cross-country, and slalom teams. Dennis Borsch, a ninth grader from Lincoln Junior, placed fourth in the cross-country race. Dan Kelley placed third in the jumping event. Denfeld got a trophy for winning third place in the State Meet.

Schedule Invitational—Jan. 23rd.

District—Feb. 6th.

State—Feb. 13th.

Denfeld got third place in all three events.

Skiers—Row 1: Charles Banks, Coach, Henry O'Hara, Robert Dahl, Dan Kelley, Wilbert Koski, Robert Nissen, Robert Antilla. Row 2: Robert Gracsek, Bertil Ostlund, Clyde Johnson, Roger Holmes, Lee Johnson, James Sheils, Lawrence Lundberg. Not present when the picture was taken, were Donald Amundson, Maynard Kartvedt, and Dennis Borsch, a ninth grader at Lincoln Junior.

Diane Gunderson takes a practice swing on the ring.

The girls' sports program was opened with archery and tennis. Along with speedball, soccer games were frequent fall pastimes for many students. When the robins flew south, the sports events moved indoors. It was at this time that volleyball and table tennis became popular.

The cold winter winds blew in many additional athletic activities. Basketball produced a fine turnout. Deck tennis and shuffleboard also proved to be equally well liked.

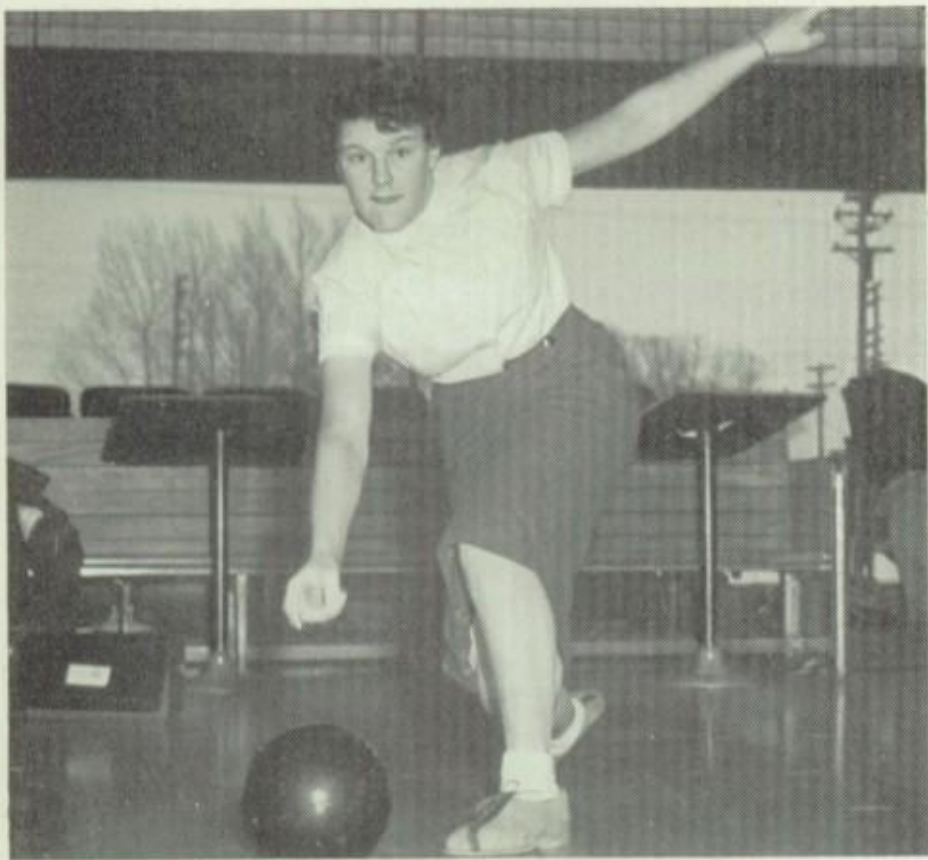

Skiing and rhythms, newly adopted by the board, were accepted with much spirit. The skiing group met Saturdays at Mont du Lac, at a special rate. Modern dance enthusiasts gathered on Thursday evenings and received instructions on fundamental techniques. Winter sports included swimming, badminton, bowling, and tumbling.

Almost everybody associates springtime with softball, another major sport, and golf, the latest addition to the athletic schedule.

"Woodsie" pitches a fast one as she gets set for the girls' spring softball season.

The girls at Denfeld are really coming up in the sports world. There has been a new plan devised this year called the point system. To earn a six-inch athletic letter, a girl must have a total of one thousand points which she can accumulate by participating in sports offered at Denfeld through her three years here.

The points will be awarded (retroactively in 1953-54) to juniors and seniors with the Leisure Time Activity Cards as a guide. Starting this year, an outstanding senior girl is awarded a special trophy. This trophy is of traveling type with a small trophy also awarded permanently. The presentation is made at the Girls' Athletic Banquet and on Honor Day Julie Hakala was the lucky girl to receive the award.

Charlene Samuelson leaps for a winning point. Violet Colich and Faye Skarman get up for a rebound.

Roberta Schumann, Jo Ann Puglisi, Carolee Bedard, Susan Holt, Jo-Ann Flyckt, Dorothy Goss and Sandra Knutson, pose after a few hard minutes of tumbling.

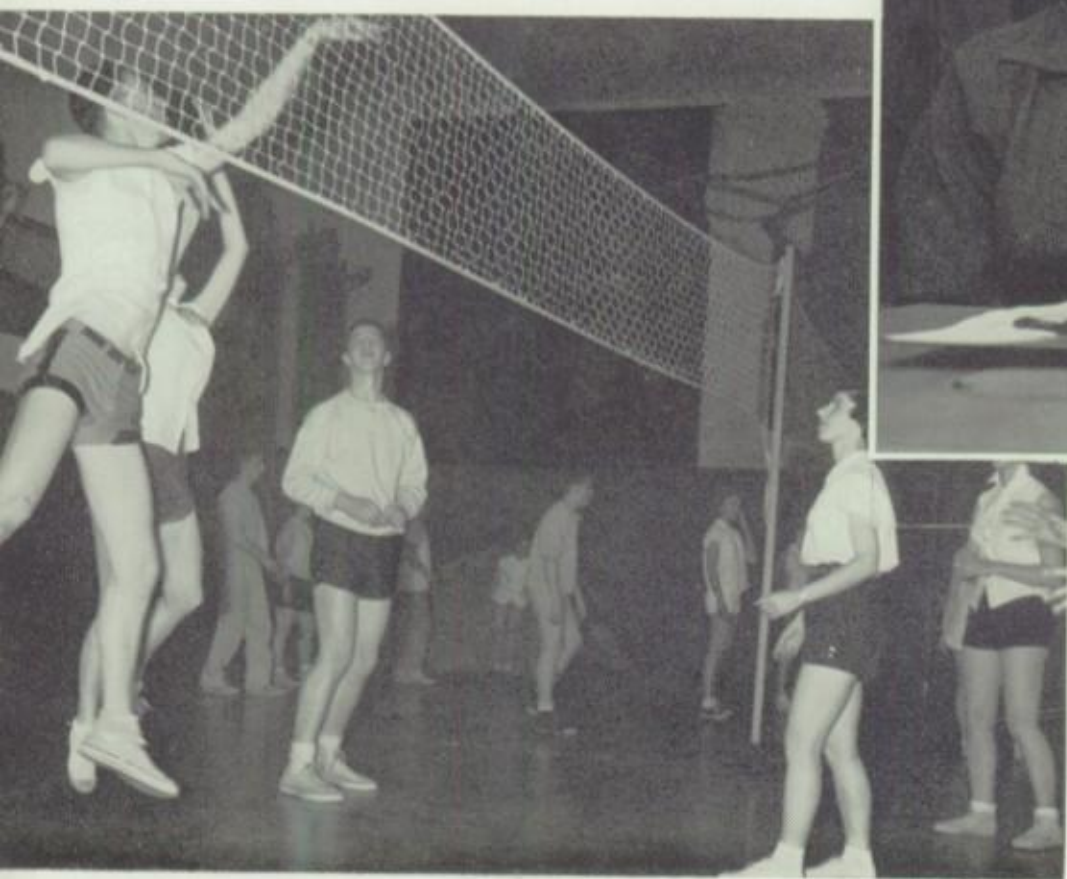

Shuffleboard is one of Eleanor Berube's athletic pastimes.

Shirley Christensen shows how on the parallel bars.

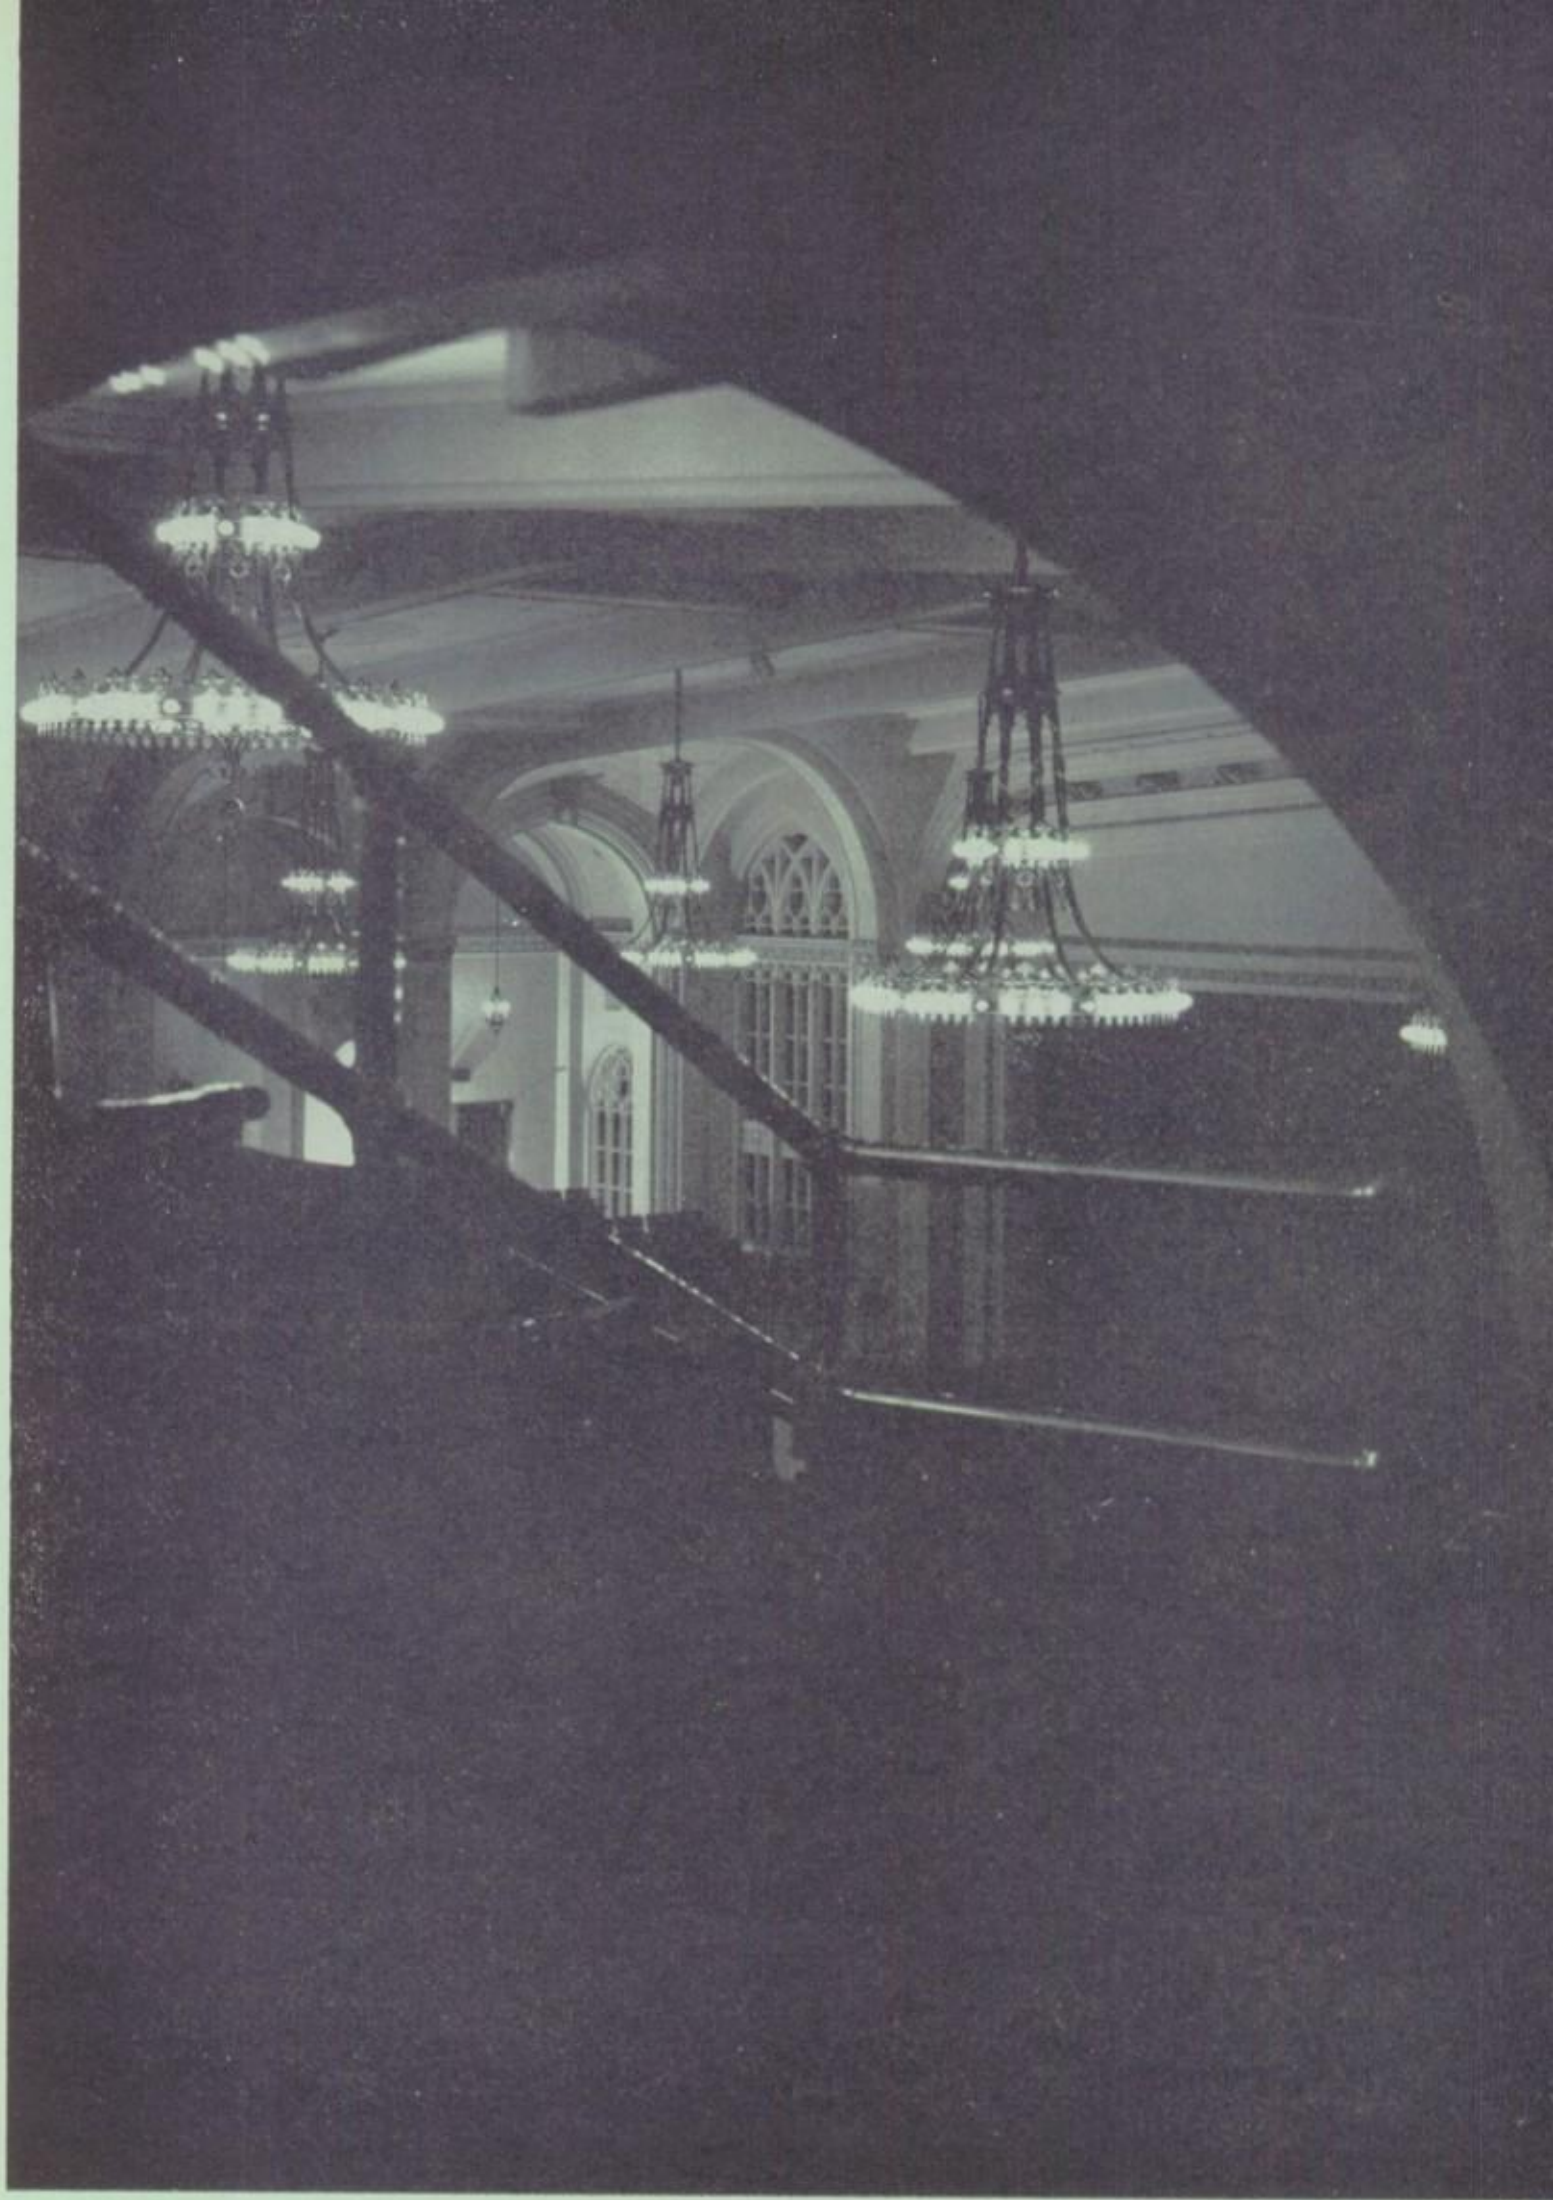

A conference about the point system is serious business for Miss Margaret Skrien and Julie Hakala.

Romberg's "New Moon" Highlights Drama Season

Robert, Philippe and Marianne sing of the stout-hearted men in their encampment.
Marianne serenades the ship's crew as they cater to her wishes.
Robert is arrested for traitory, to Marianne's very great dismay.

Marianne dances with the mysterious nobleman, Robert Misson, as the mock court dances gaily.

All-School Show Proves A Brilliant Success.

The biggest and most inclusive show of the year, "The New Moon" was brought to production by Miss Ellen Smith and the Girls' Club on February 11 and 12.

This is the story of two French noblemen, Robert and Philippe, who have opposed the tyranny of their king and are in America hiding from his men.

Their dream of forming a colony in which there is

freedom for all is finally realized, but Robert and his love, Marianne, are drawn apart. Of course there is a happy ending.

Those of us who saw Sigmund Romberg's operetta will never forget the impressive sets and brilliant costuming. The combined efforts of the cast, the many teachers, and back stage workers, produced an operetta for everyone to be proud of.

Philippe sings sadly of past romance to an attentive cafe crowd.

Alexander and Julie compare their romance with the rough Clotilde and Besace.

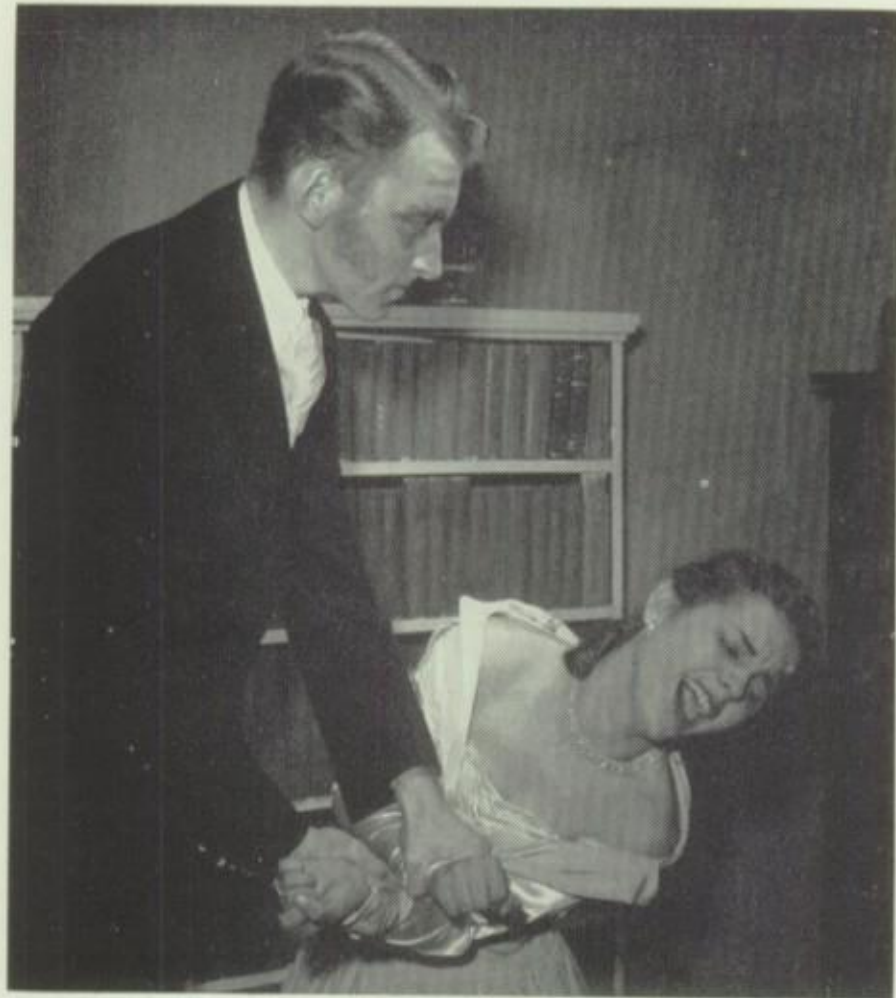

The sailors enjoy a game of cards while waiting for their entrance.

Operetta Art Chairmen — Jack Pichotta, Nancy Ekman, Fred Stickney, Dorothy Ossell, Roger Carlson, Dick Blair.

Captain Duval dislikes interruptions of his "love song" to fickle Marianne.

Haughty Clotilde speaks to the jury about her mixed-up lovers and her talents.

"Papa, you're hurting me!" screams Henrietta as Father Barrett forces her to the floor.

Barrett's Headline Drama Circle

When a director has found a long-searched-for cast for an immortal story about real people, the play ought to be a success; and the senior class play, "The Barretts of Wimpole Street," was a true success when presented on December 4.

The play is emotionally moving, with variations of humor and sentiment weaving throughout the entire performance.

The story of Elizabeth Barrett's two handicaps consume most of the plot — her confinement to rest because of her crippled state and her resignation to a slow death because of loneliness.

Despite Elizabeth's large family, she must find refuge in the writing of poetry and in correspondence with Robert Browning — her husband in the not too distant future.

The play committees are also to be congratulated for the work done behind scenes. A play would never succeed if it wasn't for its committees.

It was a cast and a play well worth waiting for.

"Oh, you're so manly," coos Bella to her fiance.

Committee Heads—Jo Anne Wilson, Peggy Lufholm, James Karkanen, Marilyn Jentoft, Claudia Olson. Row 2: Marlene Smart, Joan Kempf, Russ Gran, Don Johnson, Margie Bjorlin.

"Chris" Bean Is Top-drawer Drama

With the junior class presentation of Sidney Howard's "The Late Christopher Bean," on April 29, the Denfeld drama season was brought to a close.

The comedy deals with a New England family who have given refuge to an artist who now, years after his death, has become world renowned. It is, however, Abby, the family servant, who turns out to be Bean's wife and sole owner of all the paintings, which she cannot be persuaded to sell.

The play was presented under the expert direction of Mr. Joseph Dunn together with the talents of the cast and committees.

In sequence to "Cheaper by the Dozen," a play given by the sophomore class of 1951, this year's sophomore class presented "Belles on Their Toes." The play was presented March 4, 1954, to a well attended audience that accepted the play with a great deal of enthusiasm.

After the death of Mr. Gilbreth, Mrs. Gilbreth left the 12 children to handle things by themselves while she went to Europe to continue her husband's work. As the children are left alone, the play is continually lightened with the humor of child innocence and Tom, the handyman, with his unwanted help and genuine remedies.

The cast did a fine job under the excellent direction of Mr. Joseph Dunn.

The Big Brass Band Heralds

West Duluth's "Big Brass Band" has had another successful year of learning and entertaining. The Denfeld band under the baton of Lloyd Swartley has added the final touch to many of the school's pep assemblies and other activities.

The student leader of the band this year has been "Maestro" Gary King. A lot of flavor has been added

to this musical organization through his excellent leadership.

The concerts given by the band have played an important part in its life. Three concerts have been held — two for the general public and one for the band parents. The band has also entertained at the Masonic Temple and Lincoln Junior High. Selling Fall Festival

buttons was another activity of this well functioning group of citizens. Parades have also seen a lot of the Denfeld musicians.

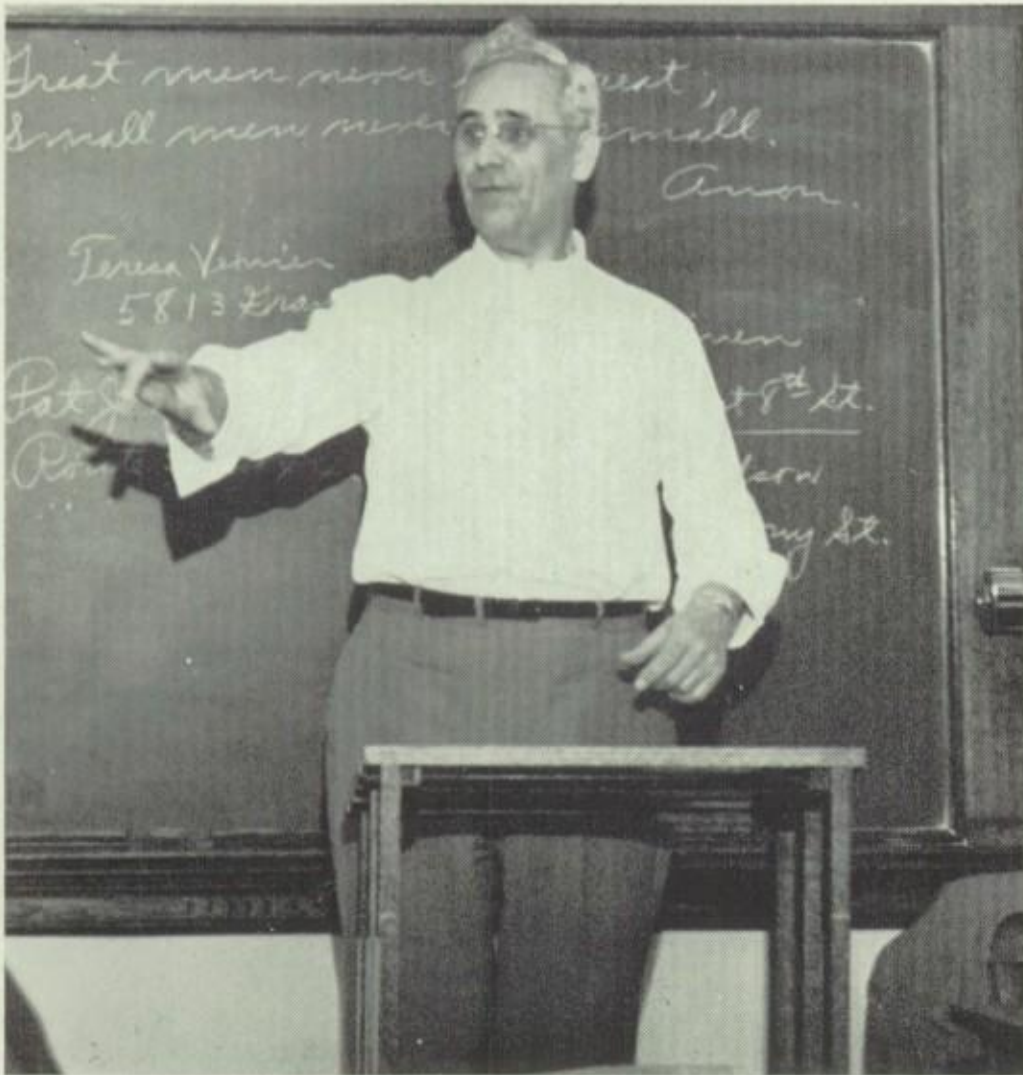

The highlight of many months of work, sacrifice, and expense came during the first two days of April. The trip to Sioux Falls, South Dakota, and the chance to

play in a big public concert were the two big events of the year.

According to Ronald Richardson, assistant band instructor, the band played an outstanding concert. This was a great occasion for the band and a fitting climax to a busy year of work and study.

To Thee We Sing

Throughout the year Denfeld's A Cappella Choir has been kept ever alert by appearing for various civic organizations and for the Thanksgiving, Easter, and Brotherhood assemblies at school. With the increased number of new robes the choir was able to expand in number to 69 members, which of course increased the quality of the choir. Two successful concerts helped in making the choir trip to Ely possible. Under the inspiring direction of Mr. Edgar Felten the choir finished out the season by singing at the Baccalaureate and Commencement exercises.

Composers are interpreted with appreciation

One of the organizations that bring pleasure and relaxation to every one is our orchestra. Music is not all drudgery for its members as can be seen by their vigorous practicing every first period in "Orchestraville."

Under the direction of Stanford Martin, the orchestra has participated in many school events. Their first appearance was made at the November Open House. The orchestra has given two evening concerts, plus two concerts at Lincoln Junior and West Junior High School. At the Boys' Union Style Show, the orchestra helped make the assembly a success with their excellent background music. Both the Vodvil and the Operetta had the orchestra participating. Also various string ensembles have played at our school assemblies and other school functions.

The big project this year was the trip to International Falls, May 18. The orchestra played for the International Falls High School students, which was enjoyed by all if encores and applause can be used as measuring sticks. This trip was paid for with money raised at the concerts and a bake sale held in the winter.

Not all has been concerts and work for the orchestra members. Several parties have been held during the year and the school year of 1953-54 ended with the fun and frolic of an all day picnic.

A typical Martin stance is shown as he works for the very best from his group.

Denfeld's music life is certainly one to be envied. Many new styles and settings are often presented.

The twirlers in their pert costumes lend much color, pep, and music to the football and basketball games. Appearing at assemblies and constantly preparing new routines are part of their many duties.

The junior boys' barber shop style of singing is acclaimed by their faithful listeners to be tops, and four

sophomore girls have made a good start in their musical careers here. They have appeared in assemblies and programs around school and town.

Each program in the auditorium is opened and closed by the soothing music from the pipe organ. Denfeld has two accomplished players. Their music is looked forward to at each assembly.

Round 'Em Up

With much cheering and singing, Western Roundup Day at the Denfeld Ranch passed into history leaving unforgettable memories in the minds of everyone. Cowboy and Indian garb were the main requirement of the day, with a contest to find the best-dressed class as an encouragement for everyone to take part. The seniors won the contest and reigned supreme.

There were skits, music, and cheers a-plenty, and the introduction of a new Western Roundup song. Mr. Daedo and Mr. Ahlbom were presented with head-dresses and blankets by the Power Club and asked to give a little talk.

The twirlers won the prize as the best skit and introduced a new member into their ranks—Lon Gobell. Other skits were put on by the junior play production class and a group of Boys' Union Board boys.

The assembly closed with everyone's hoping that the boys would ride on to the range and round 'em up and lasso 'em.

King Lon Reigns

The climax of many days' work was completed with the crowning of the 1953 Homecoming King on December 18. The festivities began at 8:30 p. m. in a winter wonderland of majestic pine, tinsel, glitter, and gay Christmas lights. Many old and new friends were again together after long separations.

The party was gay, but an air of mystery shrouded the gym. Who would the new king be? At 10:15 the royal procession started with each king candidate walking under arches of pine, escorted by a member of the Power Club Board. After words of welcome by the Power Club president, Virginia Johnson, came the big moment, the crowning of the new king, Lon Gobell. When the long reception line of guests had greeted King Lon, dancing was resumed.

Homecoming is now over but it still is vivid in our minds and will long be remembered by Denfeld.

Student Day

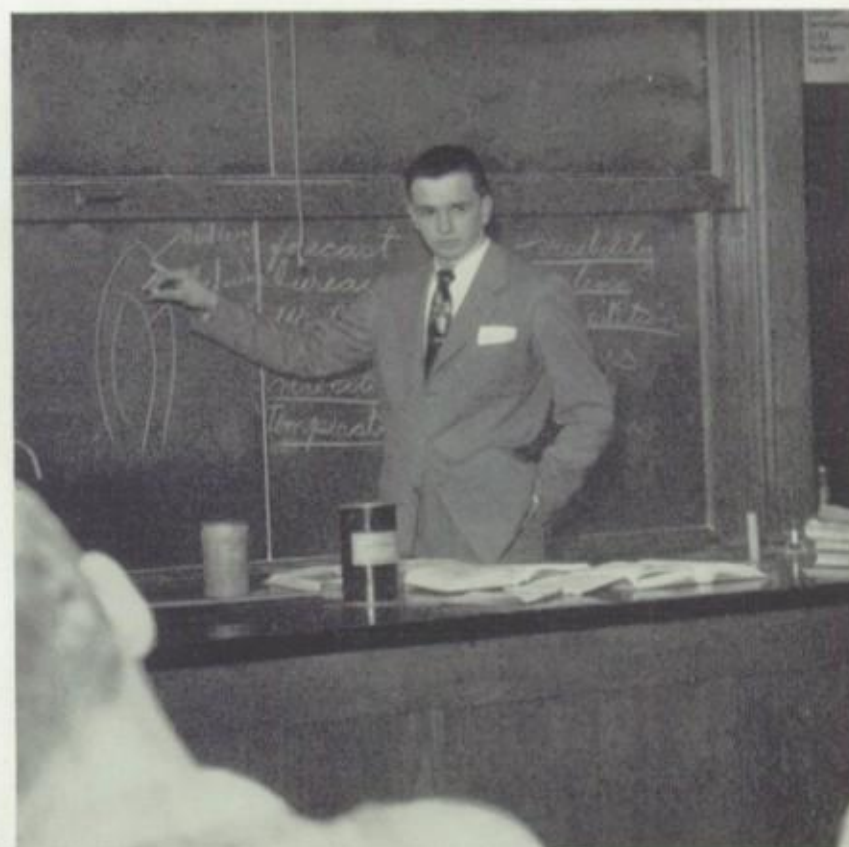

This year, for the first time, students took over the class rooms here at Denfeld. Student Teacher Day was very successfully staged March 25, under the sponsorship of the Pyramid, and the help of Future Teachers' Club, with Marilyn Nelson and Russell Gran in charge. The success of this day was also made possible by the co-operation of the whole student body. Seniors who were thinking of teaching as a career took charge of teachers' classes for the day.

The student teachers acquired not only knowledge of the profession but also sore feet. Because the day was so successful this year, it may become an annual event at Denfeld.

"Tramp on Troy"

Good cheer and high spirits reigned supreme on Maroon and Gold Day. The bonfire on the eve of our big game with Central set off our pep, which was carried right through game time. As in past years, the band played and we had a snake dance. A dummy representing the Central Trojan was tossed on the burning pile.

Maroon and gold attire was the order of the day for both students and faculty. The halls and auditorium were also dressed in the gay autumn colors.

The pep assembly, held in the afternoon, set the audi-

torium walls ringing with cheers and laughter as we watched the skits unfold, all with the theme "Tramp on Troy." The skits had varying settings, running from an old saloon in Texas to the space ship GL-70. The homeroom parade and a guest appearance by some of our alumnae cheerleaders were high spots in the program. Prizes were awarded at the close of the assembly to the winning skit and homeroom representative. With "Roll on to Victory" ringing in our ears, we left to get ready for the game, remembering vividly everything about this big day.

Junior space cadets scheme planetary mischief.

No! . . . She couldn't! (She did, though.)

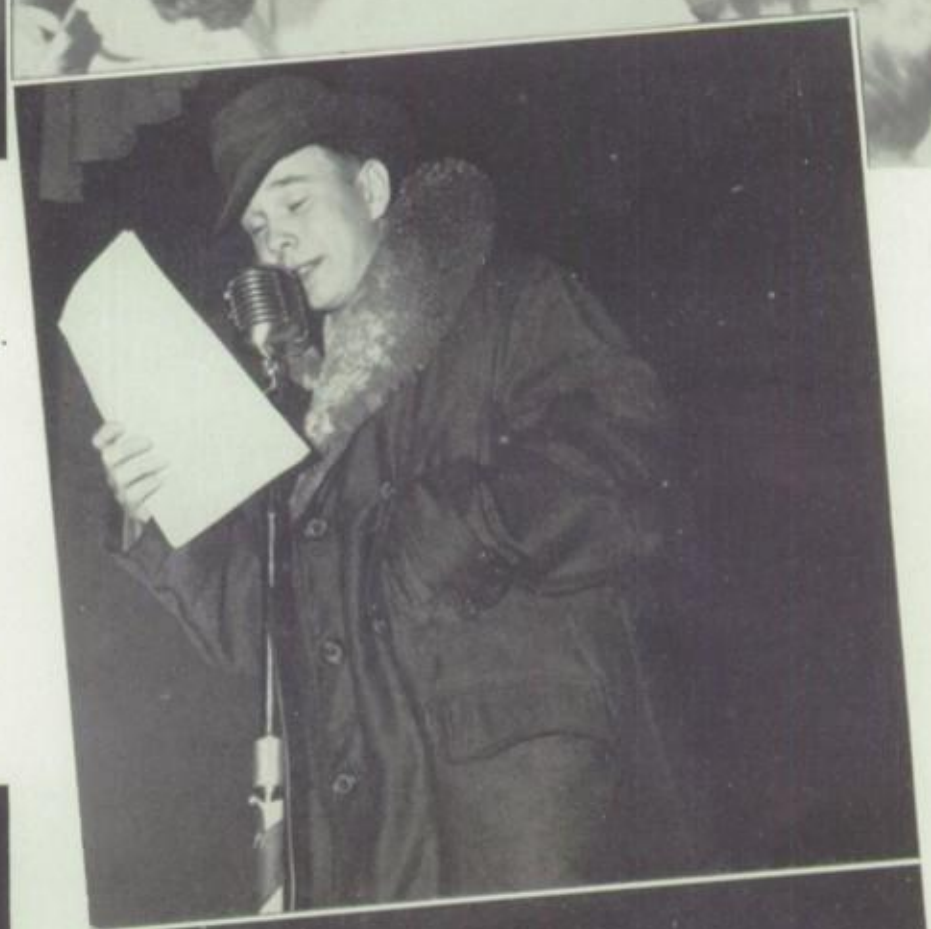

Kids keep spirit high at the game.

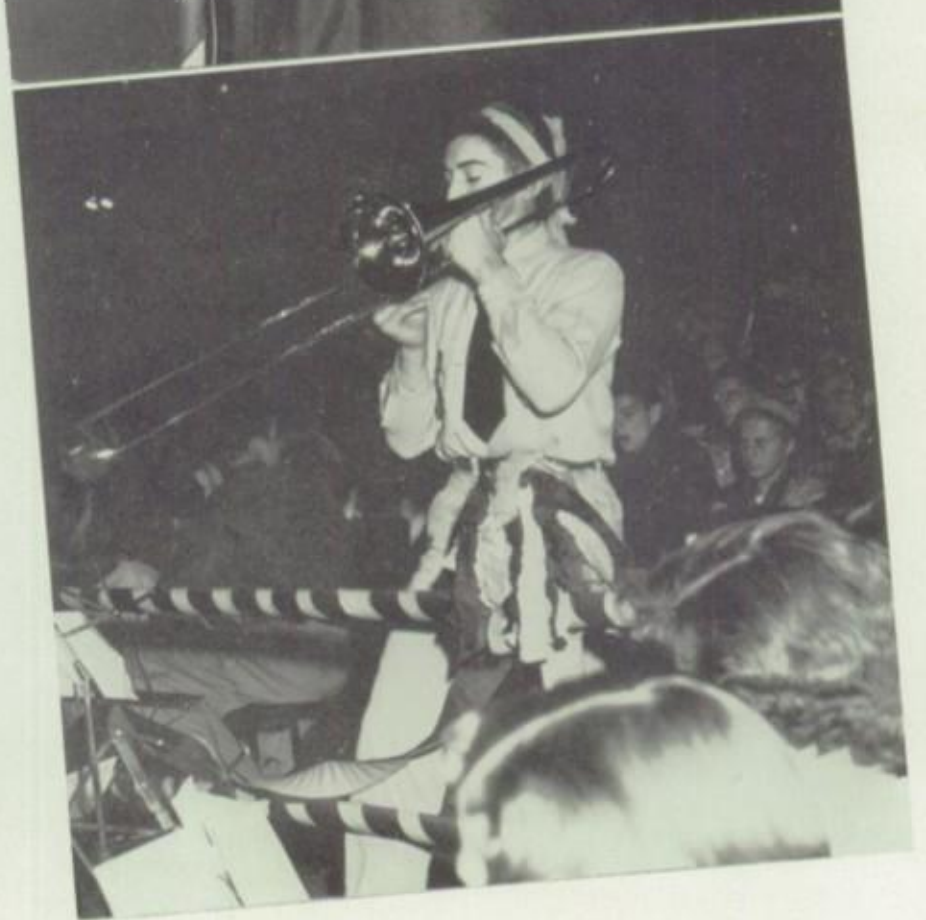

Loyal Hunter fans disperse from the assembly for the game.

'Twas a cold day in Huntersville . . .

Music a la King.

Bonfire shows Denfeld's fire and spirit.

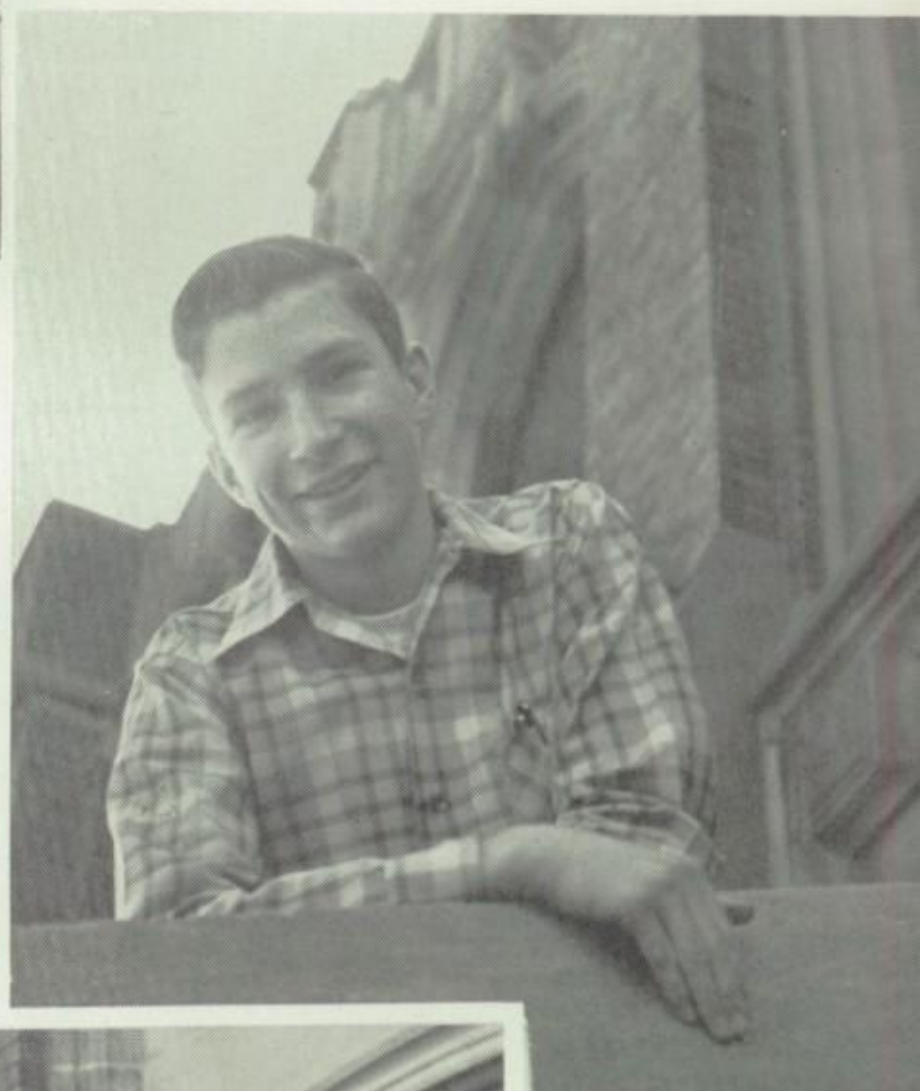

Denfeldites

Leonard Anderson, Jane Mularie, Boy and Girl state representatives. They stand for citizenship and good clean Americans.

James Banovetz — chairman and main spearhead in the Traffic Light problem at 44th and Grand.

James West, Joan Kempf, Dorothy Ossell, Barbara Norberg, winners in the Scholastic Art Contest in which there were more than 3,000 entries. Missing — Edna Camel.

Bring Honors

Denfeld's members of Quill and Scroll, honorary society for high school journalists, are, front row: Rosemarie Keppers, Janis Thompson, Mara Adamsons, and Sheila Brayden. Back row: Donald Senarighi, Roger Holten, Beverly Burns, Barbara Carlson, James Banovetz and Russell Gran.

Some of Denfeld's outstanding boys are chosen to be Junior Rotarians: Robert Rich, Robert Coning, Clifford Erickson, Glen Sampson, Robert LeVasseur, Richard Puglisi, and Michael Rich.

Rosemary Hren was chosen for the D.A.R. award. This was for outstanding work and citizenship in and out of school.

"Ain't we pretty?" ask Pat, Mary, and Ardyce, the three little gals from school.

In spite of the snow and rain a group of playful kiddies brave the outdoors for a few minutes.

These proud little girls show off their beautiful toys to the admiring photographer.

Audrey, Pat, and Mitzi take time off from a busy day to giggle and chatter.

Hooray! We're Kids Again . .

We're all dressed up in our Kid Day clothes;

This sure's been a real great day.

We've got our toys and our teddy bears.

We're ready now to play.

We're all dressed up on our short skirts

That we all wore when we were squirts.

Today's the day we're all kids again at Denfeld.

Roggie, Mike, and Bobbie play the part of bad little boys.

KIDDIES IN

The door to Denfeld Kiddy Land is the place these little girls pick to rest and eat their suckers.

The city slickers and their country cousins, the "hicks", join in on the merriment.

"Big Sister" Lon consoles poor Mary Jean after she stumbled down the stairs.

... For A Day.

We're all dressed up in our Kid Day clothes;
We all feel so young and gay.
We've had a parade around the school;
We sang while the band did play.
We boys have got our guns and cars
And are showing off our knees of scars.
Today's the day we're all kids again at
Denfeld.

The best dressed couple, Bob and Winnie, step from the past as the senior kids parade.

Honor Day Climaxes The Year's Assemblies

Honor Day was presented with all of the color and mood expected of such an occasion. Our queen and her attendants were introduced, and the generously sized Honor Court appeared. "Pomp and Circumstance" accompanied the cap and gowned seniors down the aisles to their given seats, where they later sang their class song. Special honors were mentioned, and our gracious queen, assisted by two pages, bestowed upon each entitled student, the coveted Honor D. This was an assembly of award as reward.
